DESERONTO TOWN COUNCIL HOLD MEETING

The regular session of Town Council held Monday, Dec. 1st, at the Council chambers, was a routine meeting, with very little new business being conducted. All members were present with the exception of Reeve Armitage and Councillor Saunders.

A letter of complaint was received from Mr. James McVicker regarding the building code. The letter was turned over to the building inspector, Mr. Al Fraser. The letter appears elsewhere in this issue.

A letter was also received from Mr. Guarancino, who is proposing to erect a housing development. The letter, from his solicitor, was requesting council's consideration to their proposal, and asked when Mr. Guarancino could meet with council to discuss the proposal further. Council decided to hold the matter over until January, when the new council will look into the various aspects of the development.

The regular schedule of accounts was turned over to the Finance Committee for approval and payment. Other accounts passed for payment were: The volunteer Firemen's annual pay in the amount of \$6,261; Mr. Gerald Thompson, \$405, for decorating the apartment above the Town Hall, and minor repairs in the Town Office; and the last account was a Christmas Bonus of \$20.00 to each of the town employees.

Following the discussion of other routine business, council adjourned.

Provincial Grants Awarded

Clarke T. Rollins reports that he has received the following information from the Honourable George A. Kerr, Q.C., Minister of Energy and Resources Management: -- Approval has been given for a provincial grant of \$975.00 to the Maitra River Conservation Authority, for further preliminary engineering on Deer Creek.

Approval has been given for a Provincial grant of \$800.00, to

the Maitra River Conservation Authority for capital improvements in the O'Hara Mill Conservation Area.

Approval has been given for a Provincial grant of \$2,300.00 to the Maitra River Conservation Authority for capital improvements in the Colonel Roscoe Vanderwater Conservation Area.

Dept. of Mines To Present Mineral Classes

The following information has been given Clarke T. Rollins by the Honourable Allan F. Lawrence Minister of Mines:

Throughout the Province, the Ontario Department of Mines is presenting a series of classes in mineral exploration over the next few months. These classes will cover rock and Mineral identification, elementary geology and prospecting techniques. The classes are scheduled for Marmora on Monday, December 8th to Saturday, December 13th inclusive, at the Town Hall.

Times are as follows: December 8, 9 and 10, classes will be held from 8:00 p.m. to 10:00 p.m.; December 11, 12 and 13, classes will be held from 7:00 p.m. to 10:00 p.m.

Deseronto U.C.W. Sponsors Successful Christmas Bazaar

Stover Hall was the scene of the Deseronto United Church Christmas Bazaar put on by the afternoon and evening units of the U.C.W.

A Christmas motif set the scene for the bazaar which was the most successful one ever put on by the U.C.W. A great deal of the credit must go to Mrs. Wm. Hendry the minister's wife, who convened the bazaar this year. She was assisted by Mrs. Sid Brown and Mrs. Harold Transue.

Guests were greeted at the door by Mrs. Hendry and Mrs. Bruce Cuthill. Mrs. Rockwell Hawley and Mrs. George Stuart took over their duties during the last half of the Bazaar. Mrs.

Tom Jackson received the admission fee.

The bake table was one of the most popular booths. Mrs. Herb Aylsworth assisted by Mrs. Geo. Robinson and Mrs. Norman Davis were kept busy packaging up the bountiful goodies for the ladies to take home to their families.

Another interesting attraction was the Boutique, convened by Mrs. Hendry and her assistants Mrs. Francis Walker and Mrs. Ralph Kimmett. This table had many interesting Christmas decorations such as centerpieces, Christmas stockings and various unique notions for sale.

The Flower Wagon, under the direction of Mrs. K. Pettis and Mrs. Wm. Sills, was filled with many lovely house plants of various kinds.

The Country Kitchen did a brisk sale of home preserves, fresh vegetables, pumpkins, homemade mincemeat and many other tempting items. This table was convened by Mrs. Percy VanVlack assisted by Mrs. Harold McCall and Mrs. Clinton Rendell.

Mrs. R. L. Sexsmith and Mrs. Gladys Gould were in charge of the White Elephant table which was filled with many interesting items.

Those with a sweet tooth flocked to the candy booth where Mrs. Roland Anderson and Mrs. Harold Piercy conducted a brisk sale.

The sewing table was a popular place for the Christmas shopper. It was laden with excellent home sewing including knitted baby sets, embroidered pillow cases, lovely dresses for little girls and much more, including over 50 aprons. This booth was convened by Mrs. Sid Brown, assisted by Mrs. Ada Boyce, Mrs. Mert Cummings and Mrs. Joe Reynolds.

A popular attraction for the children present was the Touch and Take table. Mrs. Harold Transue was in charge of selling the interesting little wrapped packages. They all sold for a quarter and most of them contained something of much higher value.

The main Tea Table was centered with a green nylon net Christmas Tree decorated with little coloured balls with miniature wrapped Christmas presents lying beneath. The tree was flanked by tall red candles in holly holders. The head table

and the 9 smaller tea tables were covered with white linen cloths.

Pouring tea from the beautiful silver tea services were Mrs. Doug Lazier and Mrs. Malcolm Lazier from the Melrose U.C.W.; Mrs. Bert Coles, President of St. Mark's A.C.W. and the president of St. Vincent de Paul's C.W.L. Mrs. Mervin Sherman.

The Hostess in the tea room was Mrs. Ralph Aylsworth. Servers were Mrs. Wm. Kells, Mrs. Thos. Shea, Mrs. Earl Keech, Mrs. Desmond Barclay, Mrs. Vernon Boomhour, Miss Suzanne Barclay, Miss Ann Jackson, Miss Debbie Jordan, and Miss Ruth Lloyd.

Convenor of the Tea Room was Mrs. Rockwell Hawley, and her assistants were Mrs. Bruce Cuthill, Mrs. Wm. Higgins, Mrs. Fern Cole and Mrs. Geo. Stuart. Mrs. L.E. Tunnicliffe made the miniature Christmas trees that decorated the head table and all the individual tables.

Guests were served fancy sandwiches and delicious little cakes and cookies with their tea. Milk was served to all the children.

Busy kitchen workers were Mrs. Doug Cole, Mrs. J. Hamilton, and Mrs. Robert Hart. Mrs. Geo. Lyons was in charge of advertisement for the bazaar.

The ladies of the U.C.W. received many compliments on their lovely Bazaar and would like to express their sincere thanks to all who helped make it such a success.

DESERONTO C.W.L.

The members of the Catholic Women's League met at the home of Mr. & Mrs. Peter Morris for the November meeting.

The President, Mrs. Mervin Sherman chaired the business meeting which included correspondence from the Diocesan Council.

A recent Rummage Sale showed satisfactory results.

Mrs. E. Dorey read an article from the magazine on 'Our Lady of Good Council'.

All members were in favour of continuing their annual Christmas projects.

Father Snaaren spoke on 'Mission Mindness'; he encouraged the members to 'carry out the spirit of the League Prayer'.

Mrs. Mathew Cassidy invited the ladies to her home for the January meeting.

Following the adjournment a social hour was enjoyed.

West Hastings Achievement Day Held

The West Hastings 4-H Home-making Club Achievement Day was held last Saturday, November 29th in the Centenary United Church Hall. Fifty-nine girls from eight clubs were completing the project that day. The clubs, leaders and assistant leaders were: Bay of Quinte, Mrs. Ross Strickle, Leader, Mrs. Arnold Ketcheson, Assistant Leader; Carmel, Mrs. Wilmet Embury, Mrs. Arthur Trevelton; Sidney South I, Mrs. Gerald Grills, Mrs. Hilbert DeBoer; Sidney South II, Mrs. R. V. Tomalty, Mrs. Jack F. Caddick; Sidney South III, Mrs. John Best; Stirling, Mrs. Elville Wonomaker, Miss Debra Gliddon; Wallbridge I, Mrs. Leonard deBruin, Mrs. Harry Fisher; Wallbridge III, Mrs. Horace Knight, Mrs. Stanley Hawryluk.

The girls began arriving around 9:30 a.m. to register. They brought recipe files and vegetable relishes to display. Their Record Books were already set-up. The program opened at 10:00 a.m. with the 4-H Pledge and then Miss Mary MacEachern, Hastings County Home Economist, presented the leaders with badges in thanks for all the work that they had put into this project, "Dressing Up Vegetables". The morning activities were explained and each girl took part in answering a quiz, identifying fifteen kinds of vegetables and judging a set of menus, giving oral reasons. When everyone had had a turn at these activities, the correct answers were given.

One hour and fifteen minutes was taken for lunch which was provided by the Bay of Quinte Women's Institute. Milk was provided by the Hastings County Milk Committee.

The afternoon program was opened by welcoming the guests in attendance. The exhibits, demonstrations and skits were presented as follows:-

1. Exhibit - "Quality Counts" by Carmel Vegetarians, commentator, Janet Ross.
2. Skit - "Let's Try These Vegetables" by Sidney South Petites Legumes, all members taking part.
3. Exhibit - "Vegetables All Year Round" by Sidney South Vegetables, commentator, Frances Tomalty.
4. Demonstration - "A Vegetable Relish Plate" by Sidney South Veg-a-lots, with demonstrators Pat Harrington, Darlene Sills and Shirley Best.
5. Exhibit - "Five Ways With Carrots" by Stirling Galloping Gourmets, commentator, Judy Merrill.

6. Exhibit - "Vegetables For All The Family" by Wallbridge String Beans, commentator, Evelyn Knight.
7. Skit - "Colour Counts", by Wallbridge Vegetable Gourmets, all members taking part.
8. Exhibit - "Vegetable Centre-piece" by Bay of Quinte Red Hot Peppers, commentator, Brenda Harder.

Mrs. Mary Lou Norton, the visiting Home Economist from Pictou gave comments on the exhibits, skits and demonstrations.

Miss MacEachern presented Certificates of Achievement to all girls completing a second project. Mrs. Cecil Jeffrey, West Hastings District Women's

Postscript to Moonwalk

As Neil Armstrong started his epic walk on the moon's surface, millions of people around the world watched this moment of history through the magic of television. What they didn't see were the huge generators responding to the additional demand for electricity caused by their television sets.

In Britain, electricity demand jumped ten per cent shortly before the astronauts left their capsule. This was not entirely due to television sets, however. Appliance usage during the period was unusually high, indicating that in Britain, at least, high drama goes best with a cup of tea.

Millions of people in New York almost missed the space extravaganza because of demand from air conditioners in the hot and humid weather. Power had to be imported to avoid shortages which would have left home screens blank.

Ontario Hydro came through unscathed although it was not because of lack of interest in the moon walk. Electricity demand was some 110,000 kilowatts above normal -- enough to power an additional 360,000 television sets.

Despite England's heavy power demand, it was not that country's biggest 'switch-on'. That came

Belleville Detachment

Last week, officers of the Belleville Detachment of the Ontario Provincial Police patrolled a total of 10,123 miles of provincial highways and other roads. This was while 960 hours were

being worked.

Six thefts, one break and enter, two disturbances, and 45 miscellaneous occurrences were reported and investigated.

There were 18 motor vehicle collisions reported and investigated. Three of these collisions involved personal injury to a total of six persons.

Fifty-five charges were preferred for various offences under Federal and Provincial Statutes.

Forty-seven warnings were issued for minor infractions under the Highway Traffic Act.

Officers spent a total of 46 hours engaged in Court activities.

There were 37 convictions in the Provincial Judge's Court.

The Belleville Detachment Accident Prevention Officer visited 16 classrooms and gave safety talks to 453 children.

Bake Those Christmas Cookies Now

Avoid the Christmas rush and bake now. Here, from the Food Department, Macdonald Institute, University of Guelph, are some family favorites that you can bake and freeze ready for the festive season.

Almond Toasts

2 cups all-purpose flour
 $\frac{1}{2}$ tsp. salt
 1 cup icing sugar
 1 cup butter
 1 5-oz. candied toasted almonds
 1 tbsp. vanilla extract
 Preheat oven to 325°F. In large bowl combine all ingredients. Blend well. Shape into balls or crescents using a rounded teaspoon for each. Bake for 15-18 minutes. Do not brown.

Cheese Fingers

2 cups all-purpose flour
 $\frac{1}{2}$ tsp. salt
 $\frac{1}{2}$ tsp. baking powder
 $\frac{1}{2}$ cup sugar
 $\frac{3}{4}$ cup butter, softened
 1 3-oz. package cream cheese
 softened jelly
 Combine all ingredients except jelly. Blend well. Roll out onto floured surface, half at a time, to a 12 x 3 inch strip. Cut into 3 x 1 inch strips. Make a deep groove lengthwise down center of each cookie with a knife handle. Place on ungreased cookie sheet. Fill each groove with jelly. Bake at 350°F for 20-25 minutes.

Chocolate Cherry Squares

1 6-oz. pkg. semi-sweet chocolate pieces
 1 cup all-purpose flour
 $\frac{1}{2}$ cup butter, softened
 $\frac{1}{3}$ cup packed brown sugar
 maraschino cherries
 Melt chocolate pieces over low heat. Remove from heat and set

aside. Combine flour, butter and sugar until well blended. Press into 8 inch square pan. Bake at 350°F for 15-20 minutes. While warm, cut into squares. Arrange on waxed paper. Place a cherry on each square. Top with one-half teaspoon of chocolate. Let stand until chocolate hardens.

Let's Talk BOWLING

Hi Bowlers;

Well, the first prize winners of the Bowlers Special for ten pins were Blanche Detler who had 100 pins over average for the lady ten pinners and for the men it was Jim Laird with 96 pins over average. Congratulations Bowlers! Next week it will be the five pinners turn at the Free dinners for two donated by the Seaway Hotels, who have hotels of distinction located in five Ontario cities, one in New Brunswick, Halifax and in London, England.

A week ago the Saturday Nitters had two teams in Stirling to bowl the first round of the home and home series of the Bowl-a-fun five pin tournament, the second round of this tournament will be staged on December 14th here in Deseronto. The results of the first round was a victory for Stirling, but, President Duff, says the final outcome will be in his league's favour. Could be too as only a few pins separate the four teams. Only time will tell says Reggie V.

On lanes one and two in the T.B.L. five pin league, The Rats took the measure of the Indians by four games to two last Wednesday night, then added insult to injury by getting the extra point. Capt. Pat Maracle led his team to victory shooting 235-637; Audrey Scero had a 223-557; Jerry Maracle 244-573 added his share to the cause while, the new comers to the league Lillian and Tom Hill proved that they have bowled before and it is our guess Tom and Lillian will give a good account of themselves before the schedule ends this spring. Gene Brant had a run of tough luck, but, did come through to add many pins to the total. For the Indians the best bowler was Laverne Maracle with a 266-614; for the ladies; Shirley Maracle was the top pin getter with 197-534. Phyllis Green, Herb Maracle, Gerald Maracle and Helen Brant all came up with good single games, but, well why say more? The Fugitives and Lil's Gang battles it out but, the Gang proved too much for the Fugitives by taking seven points, Bud Maracle rallying a 250-668 and Carm Brant having a good night, 234-622, were the top pin getters. Capt. Lillian Brant added to the victory with singles of 228 and 180; Bernice Maracle 172 and 164 singles; Shirley Maracle 183-528 bowled

very well. John (Speed Ball) Brant turned in a good game, so Lil's Gand went away happy, and why not? Jim Maracle with a 227-611 and Brenda Brant with a 204-531 were the best for the losing Fugitives with team mates Norma Maracle; Carol Maracle; having a tough night and corner pin trouble. It is good to be a Good Guy bowler so they displayed to the Goners just how the game of five pins should be played. After the evening was over the Goners were long gone with no points and Good Guys had seven points. The winning team was lead by Evelina Hill who had a wonderful night with a 306-667 with Lorraine Brant coming through 233-616; nice bowling gals; Harold Maracle came through with a 232-632; Sheridan Maracle, 225-648; Murray Maracle - 174 singles and Audrey Maracle a 179 single to help the team. The Goners had tough luck, Sonny Maracle 193-573; while James Maracle's 201 single and Glenn Maracle's 208 singles helped a little but still was not enough. Ada Maracle and Beverly Hill just could not seem to bowl with the same skill that they are capable of. Well girls, you had an off night so next week it will be different.

The teams standings are as follows: - Fugitives 72 pts; Indians 45; Goners 44; Good Guys 39; Lil's Gang 29, and The Rats 23 pt.

Many of the bowling leagues are busy planning Christmas parties, The Friendship League, The Read League, The Dizzy Dames League, The Sat.-Nitters League and the Lady's Ten Pin League and so members do not miss your league Christmas party. You know it does involve a lot of work and planning by your executive and the best way to say Thank You is to be at the party.

Last Monday evening the special prize winners were Doris Prue, Bea Andrews, Diana Brennan, Dot Wolsley, Sandy Fox, and Mary O'Neil. Congratulations to these lady ten pinners who bowled over 175. Nice bowling girls. The ladies ten pin league deserve a lot of credit. Every team now has a sponsor and all have lovely bowling shirts, one thing about having a bowling shirt is one does not have to worry about, "My what will I wear to-night to bowl in", yes, that is right. The sponsor has made up your mind; so much easier that way too.

3 WEEKS TO CHRISTMAS

WE HAVE A GIFT TO PLEASE EVERY MEMBER OF THE FAMILY, FROM THE YOUNGEST TO GRANDMA!! COME IN NOW AND CHOOSE A GIFT TO PLEASE.

Gerald Lott Jewellers

TEL. 396-2718

DESERONTO

342 MAIN ST.

In the Men's Commercial League the top five average bowlers are Gus Cormier 239, Al Clarke 236, Sheridan Maracle 238, Fred Bentley 231, Jim Robinson 225. Nearly all the players in this league are well over the 200 average, so drop in any Thursday evening between 7 and 9 p.m. you will see some real good five pin bowling, the boys are good. Geo. Cole shot a 341 single to take top honours in the single department while Toni Holmes rolled a 801 triple to take the weekly honours. That is good bowling fellows. The team standings are Ideal Venders 59 pts. Napanee Aces 55, Can. Optical 44, Black Hawks 38, Chuck's Lunch 40, Homer Shields Motors of Picton 30. The race for the

championship is not over as yet as the two bottom teams are really adding up the points; a month ago it looked as if these two teams were just going along for the ride so to speak, but now, the boys have hit their stride and it will be a tough race from here on in. So long for now bowlers, just keep 'em rolling.

A. Pynbury.

== NOTICE ==

THE CORPORATION OF THE TOWN OF DESERONTO

A BY-LAW TO REGULATE PARKING ON STREETS FROM DECEMBER 15th TO MARCH 31st IN THE FOLLOWING YEAR.

BY-LAW NUMBER....1416....

THE MUNICIPAL COUNCIL OF THE TOWN OF DESERONTO ENACTS AS FOLLOWS:

1. THAT in order to facilitate the plowing and removal of snow, no vehicle shall be parked between the hours of 1:00 a.m. and 8:00 a.m. on any street in the Town of Deseronto.
2. THAT any vehicle so parked in violation of this By-Law may be removed at the owner's expense and subject to a fine of \$ 5.00 for each offence.
3. THAT this By-Law shall come into force and effect when a true copy of same has been published three times in a local newspaper having general circulation in the Municipality and the provisions of this By-Law be carried out at the discretion of the Chief of Police.
4. THAT in each Year subsequent to the year in which the foregoing notification is first published, the clerk shall cause to be published three times, in a local newspaper having general circulation in the Municipality a true copy of the By-Law.
5. THAT this By-Law shall supersede any previous By-Laws pertaining to the plowing or removal of snow.

LETTER RECEIVED BY COUNCIL

THE MAYOR AND MEMBERS OF the COUNCIL

It should be the desire of all municipal officials to have their town improved. In order to fulfill this desire it is the considered

duty of such officials, elected or appointed, to legislate for the benefit of the community as a whole and not for a chosen few. Improvement of the community depends on the maintenance and enforcement of by-laws and standards that have been established for the protection of property, the protection of property values as well as the protection of life and limb.

Strangers coming into our town examine our housing and our residential streets as well as the business establishments in order to assess the community. In his own mind he determines if it would be a good place in which to live. First impressions are important and it is necessary to maintain a good appearance to make a good impression. I think that we, the writers, have done our part to show our pride in our town by keeping our corner as attractive as possible. Our efforts are killed by the appearance of neighbouring properties.

If you members of our council agree with the foregoing statement, I would request that you examine the action of some of your appointed officials to see if they are fulfilling their duties for the betterment of the community.

Prior to November 22nd, last, application was made for a building permit by a resident on Thomas Street to allow the erection of a garage attached to his home. Despite verbal objections by neighbours, this permit was granted by your building inspector. Apparently no advice regarding standards or restrictions was given the applicant by your inspector. This may be because he is not familiar with the By-Law or construction procedures.

Although only the frame has been erected to date, an inspection would reveal the following violations already:—Section 6, Subsection 12, no provision has been made to comply with the regulation, re: fire separation. Section 15, Subsections (A) (2) and (H) (i) regarding framing. A brief perusal of the lumber to be used, the type of construction and the general appearance for the proposed structure would reveal if it is going to be an asset or not.

The occupant of these premises also has four old cars and a truck on the premise. I understand that there is a by-law concerning old cars stored in residential areas and would like to know if this By-Law can be enforced.

I would advise that copies of this letter will be forwarded to the Municipal Board, the Office of the Fire Marshal, and the Fire Underwriters Association. It is doubtful if these organizations will take any action in this matter but, at least, they will be

Selection Of INDOOR - OUTDOOR HOME and TREE DECORATIONS

JACKSON HARDWARE

Tel. 396-2326

DESERONTO

aware of some of the conditions in the town.

Thanking you for your consideration, I remain,

Sincerely,
 James H. McVicker

Power Council Committee To Probe Pollution

The Northeast Power Coordinating Council (N.P.C.C.) is establishing a task force on 'environmental matters' to delve into problems — both pollution and aesthetic — associated with the production and transmission of electrical energy.

An association of major electrical utilities in the United States and Canada (Ontario Hydro is the Canadian member of the Council). NPCC was formed following wide spread outages across east central Ontario and the U.S. eastern seaboard, November 9, 1965.

The environmental task force, on which Ontario Hydro is to be represented, will probe the utilities' role in control of air and water pollution siting of generating stations — both thermal and hydraulic — and location of transmission lines.

NPCC's chairman Ernest R. Acker, in announcing the Council's intent to form the task force emphasized the need to reconcile the public need for an adequate reliable power supply with the public need for a clean and attractive environment is 'one of the most pressing concerns facing the electric power industry today'.

He added the force will study

ways and means of improving communication between the power industry conservation groups, regulating agencies, and all elements of the public who share NPCC's concern with cleaner air and water and aesthetic values.

WHO NEEDS SHEEPSKIN?

In the light of recent wage increases won by plumbers, electricians, paperhangers and the like, one might be excused for seeing it all as a sly plot on the part of the government to solve the shortage of college accommodation. With wages like these available at the snap of an overall, who will want to be a professional.

And we haven't seen anything yet. In California, the plumbers are after a tidy little package which could bring their annual take to something substantially over \$20,000.

This state of affairs could, in fact, herald a fundamental change in our social structure the like of which we haven't witnessed since men emerged from the cave and entered the apartment. Under the new order, we may find ourselves marching to the skirl of the waterpipe and doffing our caps to a brand new flag — the monkey wrench and plunger rampant on a field of green backs. Our scientists, artists and other eggheads will be vying for sponsorship under the gracious beneficence of Peter the Plumber.

**C.W.L. Sponsors
Christian Concern
Meeting**

The Catholic Womens League sponsored an open meeting on Sunday Night on Christian Concern. It will be followed by more meetings and was meant to start a growing understanding of what being a Christian really means.

This meeting was meant to bring us face to face with the problems of the whole world, poverty, sickness, war, famine and unrest. If we are to be a happy world we must be aware of what is going on all over the world and to help alleviate pain and suffering from their lives and educate them to help themselves and in that way we will be living closer to being a Christian. We cannot shut our eyes and hearts to the poor and suffering.

Sister Catherine McCormick of Our Lady's Missionaries spoke briefly at the 8:00 and 10:00 a.m. masses and also addressed the meeting bringing with her, slides taken when she worked in Brazil. It was most instructive and revealing to hear of her experiences. We do appreciate her giving us her time and energy.

Father Snoaren showed films of Borneo where a great deal of work has been done by the Mill Hill Fathers. These people are showing the results of the help they have received and are utilizing their natural resources.

A question and answer period followed. Everyone there came away feeling they had spent a very worthwhile evening and are looking forward to other meetings which are to follow.

Obituaries

MARGARET THERESA GIBERSON

Following a short illness, Mrs. Margaret Theresa Giberson of 45 Benjamin Street, Belleville, Ontario passed away at Belleville General Hospital on Friday, November 28th, 1969. She was in her 39th year.

Mrs. Giberson, a daughter of Mrs. Rita Smith and the late Mr. Robert Smith, was born in Smiths Falls and educated there and at Kingston. Her husband, Kendall Beverley Giberson, is in the Airforce, and they lived at various times in Japan, Korea, Germany and India. They took up residence in Belleville in 1964.

Besides her husband and her mother, she is survived by two sisters, Mrs. John Graham (Mary), of Deseronto, and Mrs. Donna

L.O.L. No. 99 Installs Officers

Installation of officers took place on Monday evening at the home of Bro. Melville Hill which is being used temporarily as a meeting place, due to the loss of the Lodge Hall by fire. The following officers are held by: W. M. Laverne Maracle, D. M. Gerald Maracle, Rec. Sec. John A. Brant, and, Sec. Treasurer Everett Maracle. The past W. M. was Austin Brant.

After the close of the meeting an oyster and corn soup supper was enjoyed by the members present.

New Rector At Tyendinaga

The Parish of Tyendinaga left without a rector for many months following the sudden death of Rev. F. F. Downing now has a rector, and the Mohawks have a chaplain. Rev. Cyril Betts, his wife and three children took up residence in the attractive rectory overlooking the Bay, on Nov. 18th. Rev. Betts began conducting the regular church services in Christ Church and at All Saints the following Sunday.

The members of L.O.L. No. 99 paraded to Christ Church that Sunday as a welcoming gesture to the new minister.

Mr. Betts is a graduate of the former Kemptville Agricultural School but decided to enter the ministry. He attended Huron College, part of the University of Western Ontario, in London, Ontario. He was the rector of the Parish of Madoc and Bannockburn for three years and the rector of a three-point charge in North Augusta for seven years. The residents of Tyendinaga and Deseronto welcome Rev. Betts and his family, and wish them success in his new charge.

GUEST SPEAKER AT CHURCH OF THE REDEEMER

Guest speaker at the 2:30 p.m. service at the Presbyterian Church of the Redeemer on Sunday, Dec. 7th was Mr. Ian Colterjohn. He

and his family are home on furlough from India, where Mr. Colterjohn served as Treasurer of the Malwa Church Council Christian Service Board. This Service Board supervises the operation of a group of hospitals, schools and various services in the Malwa area of Central India. At present, Mr. Colterjohn is studying at Queen's University. He and his family are returning to Nepal in 1970.

WEDDING - HILL - O'BRIEN

All Saints Anglican Church on the Tyendinaga Reserve was the scene of the recent marriage of Cathy Lee O'Brien, daughter of Mr. and Mrs. Robert Compton, Rochester, N. Y., to Carl Ernest Earl Hill, Shannonsville, son of Mrs. Lulu Hill, Shannonsville.

Rev. C. J. Betts officiated at the ceremony. The Organist, Mrs. Myrtle Brant, played the wedding music.

The bride, given in marriage by her step-father, wore a floor-length gown of white chiffon. The skirt was A-line, with an empire waist of lace, with small chiffon covered buttons down the back, with a white bow at waist line and long sleeves appliqued with lace. Her shoulder length veil was caught by a white satin bow. She carried a cascade of white carnations and fern.

Maid of honour was Mrs. Carol Potts, sister of the bridegroom. She wore a street length shift of nylon and rayon lace over mauve taffeta. In her hair she wore a tiara of rhinestones. She carried a nosegay of white carnations centred with mauve carnations, appliqued with mauve lace.

The bridesmaid was Mrs. Nancy Ryan, sister of the bridegroom. She wore identically the same as the maid of honour. She also wore a tiara of rhinestones in her hair. She carried a nosegay of carnations, only it was appliqued with white lace.

The flower girl was Miss Debbie Hill, sister of the bridegroom. She wore a street length dress of bonded Luxe, in lime green, appliqued with white lace down the front of the bodice and skirt, and long sleeves appliqued with lace. She wore a tiara of rhinestones in her hair. She carried a basket of yellow and green Shasta

Daisies and fern.

The ring bearer was Master Robert Compton, step-brother of the bride.

Best man was Daniel Fillette, Rochester, and ushers were Edward O'Brien, Rochester, brother of the bride, and Neal Brant, Deseronto.

The reception was held at the home of Miss Stella Brant. The bride's table was decorated with a white table cloth, centred by a four-tier wedding cake and circled with all her attendants flowers. The table was also decorated with pink and white streamers and bells. The dinner was buffet style. She also had a gift table decorated in pink and white streamers and bells.

The guests were received by the bride's mother, wearing a brown and beige suit, with matching accessories, and a corsage of apricot roses. The bridegroom's mother wore a gold brocade dress trimmed with fur on sleeves with brown accessories and a corsage of apricot roses.

Guests attended from Rochester, Northbrook, Enterprise, Belleville, Shannonsville, Wallbridge, and Deseronto.

They will take their wedding trip in the near future.

The couple will reside in Rochester.

KEEP CHRISTMAS SAFE

Everyone knows that Christmas is a wonderful time of year - but not as many realize that it can also be a season for accidents unless the proper precautions are taken.

Mr. Hal Wright, Provincial Farm Safety Specialist with the Ontario Department of Agriculture and Food, suggests these safety measures at Christmas time:-

The Christmas tree should be stood in water and kept in water until it is time to take it down. This is not only good for the tree but is also extra insurance against fire. Flameproofing treatments are not always reliable and should not be relied on completely for fire prevention.

If your tree is a metal one, only indirect lighting should be used to brighten it. Don't have Christmas tree lights festooned around it, as this can cause electric

shocks. Check all lighting strings for frayed wires, loose connections or broken sockets if you have a natural tree with direct lighting. All lights should be turned off at the power source itself whenever the house is left empty or when everyone has retired for the night.

If possible use noncombustible materials such as glass, metal or asbestos for decorations, and dispose of all gift wrappings promptly, in the trash can outside, rather than in the living-room fireplace.

Deseronto Biafra Relief Fund

The Deseronto Biafra Relief Fund canvass will end this Saturday. The Relief Fund, which was attempting to collect \$2500. for a relief flight into Biafra to aid the starving people, collected in excess of \$1000.00. The organizers of the fund wish to express their deep gratitude to those who supported the campaign.

If you have not made your contribution, you can make it to any clergyman in town, or leave it at the bank.

EMPEY HILL

Mrs. Robt. Harvey spent a few days last week with her granddaughter, Mrs. Ralph Hudgins, Ralph and family near Selby.

Miss Irene and Miss Geraldine Mowers spent a day recently in Toronto.

Placed to report Eldon Hewitt is able to be home from Belleville General Hospital after being in a car accident. All wish him a speedy recovery.

Mr. and Mrs. Cameron Russell and Mr. and Mrs. Ivan McFarlane, Forest Mills, are spending a few days in the States.

The U.C.W. meeting was at the home of Mrs. Stanley Mastin, Ebenezer, Friday evening with a splendid attendance.

Mr. and Mrs. Fred Keyworth, Napanee, called on Mr. and Mrs. C. J. Akey an evening recently.

L. & A. Assoc. For Mentally Retarded Hold Annual Meeting

Frits Julliusen was re-elected to his third term as President of the Lennox & Addington County Association for the Mentally Retarded at the annual meeting held recently in the Adult Rehabilitation Centre Industries building, formerly the Happy Day School.

Other elected officers were Gordon Kimmitt, 1st Vice President; Charles Brooks, 2nd Vice and Mrs. Gerald McCracken, 3rd Vice. Returned as Treasurer was Mrs. Eugene Dowling. Mrs. Clifford Pringle and Mrs. Gerald Brennan are recording secretary and corresponding secretary, respectively.

A chairman for each of the eight committees will be appointed by the executive, and each in turn will appoint his committee.

While each committee is important, the feeling of the meeting was that the committee for home care and that for recreation should be very active. Parents of each retarded child in the Morven School, and of each adult in the A.R.C. Industries, or workshop, should be visited at least once each year, and should be given full information regarding what is being done for their child, and what can be expected

of the Association. At the same time, they should be urged to become active members. Many of the parents are not even members.

Feeling has been growing that the school children, especially the older ones, together with the trainees in the workshop, should get together in some form of recreation, if only for occasional parties in the workshop. Sleigh rides were also suggested. The Association members will welcome suggestions.

Increased publicity was also stressed, and it was pointed out that many people still do not know that the school at Morven, and the workshop on the Slash Road are now entirely separate. Since January the school has been entirely the responsibility of the County Board of Education. The workshop, on the other hand, is the responsibility of the Association, which estimates that it must raise at least \$10,000 annually to keep it running. It receives a monthly grant of \$20 for each trainee for transportation but has no other grants.

When a pupil of the school reaches 18 he can no longer attend the school. He then becomes the

Weight Watchers Dip

Weight watchers take note: delicious dips don't have to be fattening. The Food Department, Macdonald Institute, University of Guelph, suggests this cottage cheese recipe, perfect for a low-calorie dip or a garnish with vegetables.

Cottage Cheese Dip -
14 slices bacon

1 lb. cottage cheese, sieved
1 tsp. garlic powder
dash of cayenne
dash of pepper
1 tsp. onion salt
2 tsp. lemon juice
1 cup mayonnaise
1 cup milk

Saute bacon until crisp and brown. Crumble bacon and combine with remaining ingredients. Blend well. Put into container, cover and store in refrigerator. Makes about 2 1/2 cups.

The girl who waits for a smart cookie usually ends up with a crumb.

WANT ADS GET RESULTS

November 23rd to 29th, 1969. Last week, officers of the Belleville Detachment of the Ontario Provincial Police patrolled a total of 9,724 miles of Provincial Highways and other roads. This was while 864 hours were worked.

Two thefts, one disturbance, and twenty-three other miscellaneous occurrences were reported and investigated.

There were twenty motor vehicle collisions reported and investigated. Three of these collisions resulted in a total of six persons being injured.

Fifty-four charges were preferred for various offences under Federal and Provincial Statutes.

Forty-three warnings - were issued for minor infractions under the Highway Traffic Act.

Officers spent a total of thirty-nine hours engaged in Court activities.

There were forty-two convictions in the Provincial Judge's Court.

The Belleville Detachment Accident Prevention Officer visited nine classrooms and gave safety talks to 275 children.

DRIVERS: - When driving at night in the falling snow, use your 'low beams'. Using the 'high beams' only tends to make visibility worse.

North & Centre Hastings Achievement Day

The 4-H Homemaking Club Achievement Day for North and Centre Hastings County was held on Saturday, December 6th at Centre Hastings Secondary School. Eighty-nine girls from eleven clubs were completing the project 'Dressing Up Vegetables'. Each girl had on display her Record Book, Recipe File and three different vegetable garnishes.

The morning program was opened at 9:30 a.m. with the 4-H Pledge. Miss Mary MacEachern, Hastings County Home Economist, presented the following ladies with their leaders badges: Club, Cooper-Remington Kittens, Leader, Mrs. Fred Bailey, Assistant, Miss Christine Yzereef; Maynooth 'I' The Potato Mashers, Mrs. George McAlpine; Mrs. Arthur Pettigrew; Harts-Riggs, Mrs. Joseph W. Foley, Mrs. Allen Ketcheson; Ivanhoe Tubby Tomatoes, Mrs. Gerald Kerby, Mrs. Ted Pollock; Vegetable Wranglers Mrs. E. Brunton, Mrs. Owens, Crookston, Mrs. Delbert Francis Mrs. Donald Blackburn; Chapman

Chums, Mrs. Thos. Keilly, Mrs. Lorne Gunning; Eldorado Sour Krouts, Mrs. Harley Blackburn, Mrs. Douglas Lee; Maynooth 2, Mrs. John E. Green, Mrs. Vern Cannon; Bannockburn Vegetarians, Mrs. Cyril Shaw; Harold Kucumber Koolies, Mrs. Alfred Akins, Mrs. R. C. Kim.

The girls were then divided into various groups to take part in the morning activities which consisted of answering a quiz, identifying fourteen kinds of vegetables, judging a set of menus and giving oral reasons for their placing. When each girl had had time to complete these activities, the correct answers were given.

After lunch the many visitors that had come to see the program were welcomed and then each club presented an exhibit, skit or demonstration as follows:-

1. Demonstration - 'A Salad Plate', Harold Kucumber Koolies, members, Betty Sine and Mary Lou Kim.
 2. Exhibit - 'Five Ways With One Vegetable', Bannockburn Vegetarians; Commentator, Fern Lemmon.
 3. Skit - 'A Vegetable Market Basket', Maynooth 2 Gallopng Gourmets; all members.
 4. Exhibit - 'Vegetables All Year Round', Eldorado Sour Krouts; Commentator Nancy Blackburn.
 5. Demonstration - 'Do You Know These Vegetables', Chapman Chums; members, Joan Johnston, Mary Van-derWey, and Leona Courneyea.
 6. Exhibit - 'A Vegetable Table Centre', Crookston; Commentator, Jean Aylesworth.
 7. Demonstration - 'A Vegetable Relish Tray', Rylstone Vegetable Wranglers; Members, Leonora Stopley, Marlene Short.
 8. Exhibit - 'Colour For Vitamins' Ivanhoe Tubby Tomatoes; Commentator, Cathy O'Leary.
 9. Skit - 'Dressing Up Vegetables' Harts-Riggs Homemakers; all members.
 10. Exhibit - 'Five Ways With One Vegetable', Maynooth Potato Mashers; Commentator, Kayla Robinson.
 11. Demonstration - 'Potatoes Every Day', Cooper-Remington Kittens; Members, Bonnie Watson, Jane and Joan Bailey.
- At the end of the club exhibits visiting Home Economists, Mrs. Mary Lou Norton and Mrs. Janet Jeffrey gave several helpful comments on how these presentations could be improved for another time.

The various Awards were then presented. Certificates of Achievement were given to thirty-one girls completing a Second project. Mrs. Francis Tabin, Hastings North District Women's Institute President presented the County and Provincial Honour Pins and Certificates to girls completing

six and twelve projects.

County Honours to: Eleanor Reid, Bannockburn, Bonnie Baker, Harts-Riggs, and Ann Sexsmith, Harts-Riggs.

Provincial Honours to: Theresa Johnston, Chapman; Denise Keilly Chapman; Nancy Lawrenson, Chapman; and, Lois Hagerman, Eldorado. Miss MacEachern made a special presentation of a five-year Leaders Certificate to Mrs. Harley Blackburn of the Eldorado Club.

A sterling silver spoon was presented to each member and leader completing this project.

The program was closed with an invitation to take part in the Spring project, 'Focus on Fitness'.

MELROSE W.I.

The November meeting of Melrose W. I. was held recently at the home of Mrs. Jack McLaren with a good attendance of members and guest entertainer, Mrs. J. Parrott.

Following the opening exercise the president asked that a moment's silence be observed in memory of a life member, Mrs. Russell MacFarlane who passed away recently.

The treasurer reported on the proceeds of the luncheon served at Achievement Day at Thurlow Community Hall on November 22. The Institute sponsored the girls' club and its leaders all attended the above event.

Sandra Weese and Susan Lazier received Provincial Honours. Nine girls from the Melrose Clubs have received this award. The treasurer, Mrs. Raymond Clarke,

will buy a gift for the two girls which will be presented at a later date.

The Christmas Party will be held at Gilead Hall on the evening of the tenth.

The winter eucres will start at the Township Hall on the 3rd Tuesday in January.

Again this Christmas the sick and shut-ins will be remembered by cards.

The program for this meeting began with Mrs. Mac Turner speaking on the motto 'If you want to get thinner, diminish your dinner'.

Mrs. E. Lazier gave a reading entitled, 'The Hand That Rocks the Cradle, Rules the World', and Mrs. L. McLaren spoke on 'That Diet Sheet'.

Mrs. Parrott played several instrumental numbers following which she showed slides of her latest trip to Hawaii.

The lunch committee served refreshments and thanks were extended to all who had participated in the program.

Explorer Group

At the Thursday evening meeting, the Explorer group of the Presbyterian Church of the Redeemer, made plans to visit shut-ins with treats and sing carols, on December 23rd, after which they will have their 'Christmas Party'.

The younger group, C.O.C. (Children of the Church) will have their party on December 20.

Let's Talk BOWLING

A. Pynbuoy.

Hi Bowlers;

The first week of the Bowlers Special by Seaway is completed that is for five pins. So, if you have not come up a winner, do not forget this contest will resume again on January 5th, next year, and will continue for three more weeks after, so just keep trying. The winners are, in the Dizzy Dames League, Mary Tompkins with 151 pins over average, and Carl Tinney of the Friendship League with 168 pins over average. Congratulations winners and here is wishing you both continued success. Some of the bowlers who were within a spare of being winners were as follows: Patsy Durkin and Ken McMeckan of the Read League, 111 and 141; in the Friendship League, Muriel Kimmett, 109; in the T.B.L. League, Bernice Maracle's, 119 and Murry Maracle, 151; in the Marysville League, Marjorie Doyle, 70 and Jim O'Shaughnessy, 141; in the Sat.-Nites it was Kathy Ray, 80 and George Miller, 98. The week of Dec. 7th will start Round No. 2 for ten pins, so all you ten pinners be sure to 'B Sharpe'.

Last Thursday in the Marysville mixed league the Tigers turned on the poor Hill Billies and clawed all the points and all the pins from the Hill people. The Tigers took all the games and the extra point; then, sent them down to the bottom of the league standing, while the victorians Tigers are now leading their league. The Tigers were lead by Jim O'Shaughnessy, 219-609, Bernard O'Sullivan, 222-560, with Roy Stapley, Helen Kimmerly and John Sexsmith bowling well to help in the victory. For the losers, the best were John Kennelly, Marjorie Doyle and Monica Forstell. Grant Kimmerly and President Ken Powers came through with good singles, but the people of the Hill just had a bad night, we hope. Well, the Dusters got dusted and sort of run over by the Stampede's; well, something like that anyhow. When the dust settled the results were The Stampede's two games won and the total. Charlie Brennan had a good night and lead his team with a 272-686. Fred Farrell, 204-583 and 'Bo' McAlpine also had a high score. Helen O'Shaughnessy and Lavina LaLonde came up with good singles which were needed to help

in the victory. For the Dusters Team, Jim had a real good night throwing a 237-606, while Fran, Rita, Angus and Delbert all turned in a good effort, but not good enough. Over on lanes 5 and 6 the Fire-House-Five and the Gang-Busters really had a go. It wasn't until the last ball was rolled that the 4-3 split was known. It was the first game that the Gang really ganged up on the Fire-House-Five; however, the Fire House got to a burning and lead by Captain Vince Kennelly, this team managed to stage a come back and take two games. Father Dwyre was the top pinner for the Fire-House-Five with 202-550; 'Carm' Powers, 178-496; Morgan O'Shaughnessy, 184; Carolyn Sexsmith, 179-490; and Captain Vince, 173-459.

For the losers, but only by one point, Betty Stapley and Eileen Kennelly came through with good games, while Ken, Joe and Gerald bowled well but not quite good enough to keep the Fire House from burning out that extra point. The league standings are; Tigers, 50 pts.; Gang Busters, 46; Dusters, 39; Fire-House-Five, 38; Stampede's, 36; and, Hill Billies, 22pts.

In the Dizzy Dames League the top five-pinners are Joanne Pynchard, 279-652, Audrey Bickle 276-680 and Dot Barclay, 247-635. Noreen Hubble still retains the 'Big Three' which is Hi-average, single and triple. Team points are as follows: Bumpers, 23; The Happy Gang, 51; Slow Pokes, 37; Kool Kats, 25; Sexy Six, 41; and, The Go-Go's, 33.

In the men's five league, the Ideal Venders are in the lead by one point over the Napanee Aces. Ideal Venders, 64; Aces, 63; Canada Optical, 48; Chuck's Lunch from Napanee, 44; Black Hawks, 38; and Homer Shields of Pictou, 35. Gus Cormier has the hi-average to date with a 248, and the triple of 854. Al Clarke has the hi-single of 328. The top average shooters on each team

are - Gus Cormier of Pictou, 248; Carl Tinney of Canada Optical, 225; Al Clarke of Ideal Venders, 238; Doug Kirkham of Chucks Lunch, 221; Fred Bentley of the Aces, 231, and Sheridan Maracle of the Black Hawks, 238.

In the Shannville and Deseronto Ten Pin League the Dead Heads are out front with 38 pts. followed by the Bee Pees who have 33; Flintstones, 29; the Wing Dings and the Jakes have 14 a piece, and the Flukes are in the cellar with 9 pts. Last week's top pinners were Howie VanVlack 203, and Bob Pixley, 187; and, Lois Young proved to be the best for the ladies with 181-470. The top ten shooters for this league are Howie VanVlack, Bill Baldwin, George Reid, Don Lange and Bob Pixley. For the ladies it is Marge Lange, Nora Tinney, Joyce VanVlack, Betty Brant and Lois Young.

As we are approaching the holiday season many of the leagues are not bowling, so a word of caution bowlers, check your schedule for the bowling dates for this holiday season. Don't let your team down by not knowing if you bowl on a certain date or not.

So until next week keep 'em Rolling and Bowling.

DESERONTO

DESERONTO U.C.W.

The afternoon unit of the U.C.W. of Deseronto United Church met at the home of Mrs. Wm. Hendry, Thomas Street, recently. There were thirteen members and four visitors present. The president, Mrs. George Stuart opened the meeting by reading a poem, 'Let His Light Be In Our Eyes', after which the members repeated the Lord's Prayer in unison. The Devotional was turned over to Mrs. Ethel Vanderwater, and Mrs. Fern Cole read the Scripture, Isaiah 9, Verses 1-11. Mrs. R. Hawley gave a paper on 'Christian Peace' and lead the members in prayer. The minutes of the previous meeting and the Treasurer's Report were read by the Secretary, Mrs. Merton Cummings.

The President thanked the ladies for the wonderful help they had given for the Christmas Bazaar held on November 29th. A Letter of Thanks was read and the roll call was taken. The collection was then taken up and dedicated by the President, and the supply box was passed by Mrs. M. Cummings.

Mrs. Cummings resigned as secretary-treasurer for the coming year, and Mrs. Kay Jackson and Mrs. Sills were elected to take her place. All other officers will remain the same as last year.

Following the business discussion, Rev. Hendry gave a talk on the topic of the day, 'Did it Really Take Six Days?'. Mrs. Sills moved a vote of thanks to Rev. Hendry, seconded by Mrs. G. Stuart.

A dainty luncheon was served by the hostess, Mrs. Hendry, with Mrs. D. Cole and Mrs. C. Cole helping. Mrs. Merton Cummings moved a vote of thanks to Mrs. Hendry for opening her home. Gifts were exchanged for the Christmas meeting and the meeting closed.

Notes of Inspiration

— by —

REV. OSCAR SIMPSON

THE FAITHFUL PASTOR

He held the lamp each Sabbath day,

So low that none could misstep the way;

And yet so high to bring in sight,
That picture fair -- of Christ,
the Light --

That gazing up -- the lamp be-
tween --

The hand that held it was not
seen.

He held the Pitcher, stooping
low,

To lips of little ones below;
Then raised it to the weary saint,
And bade him drink when sick
and faint;

They drank -- the Pitcher thus
between --

The hand that held it scarce was
seen.

He blew the trumpet, soft and
clear,

That trembling sinners need not
fear;

And then with louder note and
bold,

To storm the walls of Satan's
hold.

The Trumpet coming thus between,
The hand that held it was not
seen.

But when our Captain says, 'Well
done,

Thou good and faithful servant!
Come!

Lay down the Pitcher and the

LONSDALE W.I.

The second euchre party of the season was held in Lonsdale school on Wednesday, December 3rd. Prizes for the evening were awarded as follows:- Ladies First, Mrs. J. J. Farrell; Second, Mrs. Clarence McGuinness; Consolation, Mrs. Wm. Buckley; Men's First, Mr. John Murphy; Second, Mr. Ken Haight; Consolation, Mr. Wm. Buckley. The Lone Hand prize was won by Mr. Ken Haight while the door prize of a basket of groceries was won by Mrs. Agnes McGuinness.

A tasty lunch brought the evening to a close.

The next euchre will be held on Wednesday, January 7th, at 8:00 p.m.

Hydro Backs Pollution Research Program

Ontario Hydro has contributed \$140,000 to a four-year research program aimed at developing a system for the removal of sulphur dioxide from chimney effluents at thermal-electric power plants.

Fifteen United States electrical utilities have joined with Hydro in backing the \$6.3/4 million, three-phase study. Hope-

fully Babcock-Wilcox Company in association with the Esso Research and Engineering Company will devise a system whereby sulphur dioxide can be recovered either as sulphuric acid in chemical plants or as elemental sulphur.

Both are useful, and profitable by-products emitted from the combustion of coal.

The move by Hydro is part of an intensive campaign by the Commission for clean air around its thermal-electric generating stations.

In its drive to clean up the environment Hydro has set aside a million-and-a-half dollars for the study by its own researchers over the next five years of thermal plant stack gases. Hydro wants to know exactly what is coming out in the plume seen on clear cold days.

Besides its funds for research Hydro has spent \$40 million to date on air quality control equipment for its thermal plants. This expenditure includes installation of the most modern electrostatic precipitators available for the collection of fly ash, another main pollutant emitted through the combustion of coal.

Precipitators at all Hydro's new plants either operating or under construction are rated 99.5 per cent efficient, while older units are being upgraded.

Town Council Holds Last Meeting Of The Year

The last council meeting of 1969 was held in the council chambers on Monday, December 15, 1969. All members were present with the exception of councillor Saunders.

The meeting was routine, with very little new business being conducted. Following the minutes of the previous meeting, the correspondence was read as follows:

A letter from the Athletic Commissioner, Dept. of Labour, advising council that they were shipping two sets of hockey equipment, consisting of 2 goal pads, 2 helmets, and 2 sets of shoulder pads. These items are being donated to the Minor Hockey team. The only other correspondence was a letter from Hisey & Barrington - re sewer project.

The regular accounts were turned over to the financial committee for approval and payment. Two larger accounts approved for payment were the Versatile Tree Service \$420. for tree removal and the Public Utilities Commissioner \$450. for floodlights and lighting materials for the rink.

Reeve Armitage gave a financial report for the month of November. Mrs. McCullough reported that several desks had been sold from the old high school.

A letter of resignation was received from Chief of Police, David E. Saunders, effective Jan. 15, 1970. Council will advertise for a police constable for the town.

Council proclaimed Friday, December 26th, Boxing Day as a

Civic holiday for the town.

The next regular session of Town Council will be held in 1970, when the new council will assume its duties.

Christmas Parties At Skyway Lounge

The Christmas season is in full swing and a popular place for commercial businesses to hold their Christmas parties is the Skyway Lounge, Deseronto.

The staff of the Toronto Dominion Bank in Napanee dined and danced to the music of Fred Pacquin and his Countrymen on December 2nd. Also, the Royal Bank of Canada from Napanee held their party there on December 5th.

The Napanee Post Office employees on December 9th and the Lennox & Addington County School Board on Wednesday, December 10th enjoyed the entertainment of Bud Roberts and The Bordermen.

The Beaver Lumber Company of Napanee and Belleville held their Christmas party at the Skyway Lounge on Saturday, December 13th.

EARL HILL RE-ELECTED AS CHIEF ON RESERVE

Chief Earl Hill was re-elected to a 2nd two-year term as Chief of the Mohawks at the elections Saturday night on the Tyendinaga Reserve. Chief Hill won over Charles (Bud) Maracle by a vote of 173-119.

Chief Hill has been an outspoken critic of government Indian policy in the past and will continue to be a leader of current issues involving Canada's Indians

and the federal government.

Dr. Clare Brant, a Belleville physician, headed the polls with 194 votes to be returned to council.

The 1970 council will consist of Chief Earl Hill and councillors Dr. Clare Brant, Carl D. Brant, (187 votes), Willard Hill (151) all of the Mohawk Peoples party and Garnet Maracle, a newcomer with 140 votes, of the Progressive Mohawk Party.

The election was fought under a two-party system, a local Mohawk tradition, the Mohawk Peoples Party, headed by Chief Hill and the Progressive Mohawk Party.

Defeated candidates were Bennett Brant 124, Clell Maracle 119, Victor Brant 99, and Gerald Maracle 96 votes.

The election drew 311 of the reserve's approximately 400 eligible voters out to vote at the Council House, Mohawk Community Centre.

The new council will assume its duties on the first Wednesday in January.

Hastings County Council Concerned With Chemical Weed Killer

During discussions following the report of county weed inspector, Earl Mackey, Hastings county councillors learned that Chemicals being used for spraying to control roadside brush and in combating disease among pines, are killing more than is intended.

Mr. Mackey warned that the use of chemical brush killer could become a bigger problem than the weeds and brush. He said it may eventually be necessary to do weed cutting.

It is particularly important that the chemical does not get into running streams and pollute the water.

In some cases, the sprays are so lethal, that they leach through the ground, killing small pine trees up to 60 ft. away.

In one area in North Hastings two small blocks of timber were destroyed this way and lands and forests officials were uncertain how long it would be before the ground would be suitable for tree growth.

Deseronto Reeve Donald Armitage asked Mr. Mackey whether roadside spray would kill partridge and other small game, but Mr. Mackey was unable to answer the question.

Not all chemical sprays will kill birdlife directly, but when injected, affects the reproductive cycle resulting in infertile eggs which cannot hatch.

College Directors Meet To Discuss Curricula

Directors of colleges and schools of agricultural technology throughout the country were recently guests of the Ontario Department of Agriculture and Food, at the University of Guelph.

They met to discuss the problems of providing post-secondary school courses at the subprofessional level to students requiring training in many aspects of agriculture. Information and viewpoints on the various program offered at the colleges were exchanged. The participants in the two-day meeting examined program content, admission requirements, technician training, field studies, teaching methods, and program duration. Many of the programs presented offered very considerably.

While most colleges provide two year courses, as do Centralia, Ridgetown, Kemptonville, and the Ontario Agricultural College in Ontario, other provinces, like Nova Scotia and Quebec offer a one-year program. On the other hand, vocational schools in British Columbia offer two sessions of six months each.

The programs generally include courses in agribusiness, farm equipment, crop and animal sciences, farm management, food technology and processing, fertilizers, commercial horticulture, and veterinary laboratory work. However, most colleges offer courses in some unusual areas - farrier science and herdsmen techniques are two examples.

It is hoped that meeting with this will help to improve and coordinate the agricultural education being offered at this level in Canada.

The next meeting of the directors will take place November 16th and 17th, 1970, in Manitoba.

Christmas Carol Sing and Coffee Hour, Sunday evenings from 7 to 8 p.m., during the month of December, starting Sunday, December 7th at Stover Hall, Deseronto United Church at Fourth and Thomas Streets. Everyone Welcome. Come as you are and share in the Christmas Spirit. Coffee will be served during the hour.

Successful Bazaar Held At Adult Rehabilitation Centre

The open house and bazaar held recently at the Adult Rehabilitation Centre Industries in Napanee was a decided success.

Approximately 175 people crowded into what was once a one-room schoolhouse. Everything, with the exception of three small items, was sold and Mr. Bill Pollard accepted orders which will keep his trainees busy

working every minute before Christmas.

Articles were displayed on tables and walls, with prices clearly marked, and buyers took their choices to the check-out table where the association treasurer acted as cashier with two helpers packaging the articles.

Sales will be nearly all profit as most of the materials were donated, such things as plastic bags from the cleaners, small plastic cups, greeting cards, cones, large plastic vinegar bottles, gourds, florist ribbon, and caps from spray bottles. From these the trainees fashioned a variety of centre-pieces, some containing candles, mobiles, ornaments of various kinds, waste paper baskets and wreaths.

The food table was filled with things contributed by members of the Association and friends of the retarded. Coffee and donuts with fruit drinks for the children were served to the guests.

Four trainees sat at tables throughout the evening to demonstrate how the various items were constructed.

Mr. Pollard said that to fill the orders taken that evening, the trainees will need more donations of plastic bags, large vinegar or javex bottles, and more large tops from spray bottles such as those used for hair spray and furniture polish, etc.

November 30th to December 6th, 1969.

Belleville Detachment.

Last week officers of the Belleville Detachment of the

TOWN OF DESERONTO WANTED POLICE CONSTABLE

APPLICATIONS WILL BE RECEIVED UNTIL DEC. 29, 1969, FOR A POLICE CONSTABLE. MINIMUM REQUIREMENTS: AGE - 20 to 30 years, HEIGHT - 5'9". WEIGHT - 160 lbs. EDUCATION - TWO YEARS SECONDARY SCHOOL.

APPLY TO CHIEF OF POLICE, DESERONTO, ONTARIO.
40-2 c.

Ontario Provincial Police totaled a total of 8,208 miles of Provincial Highways and other roads. Duty hours totalled 776.

One theft, 2 break and enters one disturbance, and 31 other miscellaneous occurrences were reported and investigated.

There were 22 motor vehicle collisions reported and investigated; of these, four brought about injuries to six persons. None of the accidents involved fatalities.

Twenty-five charges were preferred under various Federal and Provincial Statutes. Twenty-eight warnings were given in relation to minor infractions of the Highway Traffic Act.

Local officers spent a total of fifty-four hours engaged in court activities.

There were twenty-eight convictions in the Provincial Judge's Court.

The Belleville Detachment Accident Prevention Officer gave eleven safety talks to 318 children in three schools.

"SNOWMOBILERS" - Here are some facts you should know: - YOU MUST - Register your machine with the Dept. of Transport (WHEREVER you use it); Notify

the Department of Transport within six days of a change of address; Exhibit the plate on the front of the machine in a conspicuous position; Have insurance for the machine if it is used on the highway; Produce proof of insurance if required to do so by a Police Officer; Be 16 years of age or over before driving the machine on a highway, (THAT INCLUDES DRIVING ACROSS THE HIGHWAY); Before crossing or entering a roadway, STOP and YIELD to other traffic if so close as to constitute a hazard; Enter or cross a roadway at an angle of approximately 90 degrees YOU MUST NOT - Enter upon any private property without the consent of the owner; Enter upon any portion of Highway #401; Drive on the roadway (travelled portion) of any Kings Highway. You may of course drive along any other part providing you stay as far from the travelled portion as is practicable under the circumstances. Outside of Hastings County, check legislation pertaining to the area in question. YOU MAY - Drive on any County, Township or Municipal road UNLESS there is a By-Law prohibiting the use of such road by "Snowmobiles".

Card of Thanks

We wish to thank everyone who remembered us while we were patients in the Belleville General Hospital; the nurses and other staff members for their care. A special thank you to Dr. D. C. McVicker, Dr. B. Cronk, Dr. D. E. MacLeod and Rev. Wm. Hendry. Sincerely, Mrs. Margaret Luffman and Mrs. Vera Ryan.

How To Write Up A Meeting For A Newspaper

Small weekly newspapers rely a great deal on reports from town and district organizations to help keep the news in the paper as local as possible.

Writing up a report of a meeting is not always as easy as one may think, as many organization secretaries well know. Some points to keep in mind when preparing a report for the paper are as follows:

1. Give the highlight of the meeting if there was a guest speaker, or an interesting discussion during the meeting. If there was a speaker, outline the important points of his topic.

2. Write legibly, in proper paragraph form; don't just list the points. Always sign your name and telephone number for further information. Notes that are crystal clear to the writer may be foggy or illegible to the news editor.

3. Make sure that your report reaches the printing office in time. In the case of The Scanner no later than Monday.

Don't worry if your grammar is less than perfect. The important point to keep in mind is that your report will be interesting to the readers.

Marysville C.W.L.

The December meeting of the Marysville C.W.L. was held in the school on December 9th.

It was decided that the meetings in January and February would be brief and held in the Church after Mass unless new business would come up.

The Chairman of the standing committees gave brief reports and were reminded by the President, Mrs. McLaren, to keep these up to date as no regular report forms will be filled out this year. Membership cards will be made available, our membership at the present stands at 68. Attention was brought to the white paper on tax reform and should we disagree with it, should make our reasons known to Mr. Benson.

Mrs. McLaren asked for the names of all the shut-ins so they may be remembered at Christmas.

Our Christmas dance will be held on December 27th and an orchestra is to be engaged for the St. Patrick's Dance on March 20th. A card party will be held on a Sunday evening, the date to be announced later.

A thank you letter had been received from Father Jim Farrell, S.J. for the group gift, which had been used in the digging of a well, which will hopefully ensure fresh water for many people, and also for used clothing.

The school children as well as pre-schoolers are to receive the usual Christmas treats, to be

purchased by Father Dwyre, packaged by a few of the mothers and paid for from the league funds.

A few plans were discussed re: the fall bazaar such as a quilt to be started on early in the year, materials for sewing to be obtained and yarn to be purchased so that an afghan could be completed before April.

After the business meeting, Mrs. Bill McCauley was in charge of the program which included a skit put on by the 4-H girls, a couple of mindteasing contests, the singing of Christmas carols, and an exchange of gifts.

Our Christmas meeting was concluded with lunch.

Roads Being Returned To County

The Ontario Department of Highways is planning to have two provincial roadways in Hastings turned back to the county roads system for maintenance.

The two sections of provincial roadway it wants reverted to the county are secondary Highway #502 between Marysville and Napanee and Highway 33 from Trenton to Stirling.

Notification of the provincial government's intention regarding the first highway was received by county council recently in a letter from Highways Minister George Gomme; that the department wants to revert Highway 33 to the county has been known since last spring.

County road committee chairman Reeve Carman Gibson said his committee would oppose reverting of Highway 502 to the county. He said he couldn't understand the department's thinking regarding the Marysville Napanee highway, as it had a department road maintenance depot on this roadway.

The highway minister's letter said that before Highway 502

was turned back, a grade separation over the CN double tracks would be constructed immediately west of Napanee.

The highway department also has plans for construction of a new bridge over the Trent River and Canal at Frankford to replace the present steel truss structure and swing bridge over the canal.

Ladies Aid & W.M.S.

The W.M.S. and Ladies Aid of the Presbyterian Church of the Redeemer met at the home of Mrs. Dorothy McCullough and Miss Gladys Pearce, on Thursday evening, December 11th. The opening hymn was, "As With Gladness, Men of Old". The President, Miss Pearce, led in the service of worship with Mrs. Charles Griffiths and Mrs. Albert Walker reading portions of scripture of the Christmas Story. Mrs. Dorothy McCullough read the meditations of the scriptures. Mrs. Blake Moore gave the prayer, also a lovely solo called, "When Christ Was Born". Mrs. Don MacMillan, Mrs. Kay Hood and Mrs. Charles Griffiths read appropriate stories for the Christmas season. The minutes were read and approved. The Roll Call was answered with a Scripture verse containing the word "Joy". Officers for the coming year are: President, Mrs. Kay Hood; Vice-President, Mrs. Blake Moore; Secretary, Mrs. Charles Griffiths; Treasurer, Mrs. Albert Walker; and, Friendship and Service Secretary, Mrs. Don MacMillan.

A few contests were played and gifts exchanged after which a most delicious buffet turkey supper was served by the hostesses. Mrs. Albert Walker offered a vote of thanks to Miss Pearce and Mrs. McCullough for opening their home for the meeting and party, and for the tasty supper. Everyone agreed it was a most enjoyable evening of friendship and fun.

Never-Fail Fudge

"My fudge never hardens."
"My fudge isn't smooth or creamy."
"I can't make candy".

These are common complaints. If candy making has turned you sour, then pay heed to these hints from food experts at Macdonald Institute, University of Guelph. Follow these rules carefully for any fudge, cream or fondant recipe.

1. Secure a complete solution of sugar initially by:-
-using enough liquid;
-stirring until the sugar is dissolved;
-covering the pan for the first 3 or 4 minutes of boiling;
-avoiding excess stirring during boiling;

- using a straight-sided pan, so the sides may be wiped during cooking.
 - Bail uncovered to the temperature indicated in the recipe, (233 to 239°F).
 - Cool the solution undisturbed until it is lukewarm.
 - Induce stiffening by beating thoroughly. This is indicated by a sudden softening followed by a stiffening.
- Try this technique on the following recipe:-
Coffee Fudge -
2 cups brown sugar
2/3 cup strong coffee (instant or perked)

1/3 cup evaporated milk
3 tbsps. butter
3/4 cup chopped walnuts
dash of salt

Grease an 8-inch square pan. Combine sugar, coffee, evaporated milk, butter and salt in a large saucepan and cook with constant stirring until mixture reaches boiling. Continue cooking with only occasional stirring until the mixture reaches 238°F or soft ball stage. Cool mixture without beating to a temperature of 110°F, or mixture feels just warm. Beat until mixture loses gloss and thickens. Add nuts and pour at once into pan.

4-H Project to be Focus on Fitness

The 4-H Homemaking Club Project in Hastings County this winter will be "Focus on Fitness".

Let's "Focus on Fitness". What does that mean? What does it include? Is it just physical exercise? In this 4-H Homemaking Club project, "fitness" means mental and physical health - both of which are part of a well developed person. How do we keep fit? Usually we think of exercises, yet we must keep in mind good eating habits as well as keeping our minds fit by giving them daily exercise and keeping them up-to-date - all are part of being fit.

Are you happy? What makes you happy?

When asked to do something, do you back away and say, "I can't?" Are you embarrassed or ashamed when you fail?

Can you be depended upon? Do you keep promises and obligations? Do you give up easily? Are you always a 'starter', never a 'finisher'? Can you laugh at yourself? One of the most important things we ever learn is how to laugh. The leaders and girls will discuss and study all of these questions at the first meeting when they think about keeping mentally fit.

Another topic is "Make Leisure a Pleasure". Do you have much leisure time? Do you make good use of the leisure time that you do have? What do you do with it? The girls will be encouraged to learn a new craft during their leisure time. Four suggestions are made: 1. Hook or Swedish weaving, 2. Knitting, 3. Mak-

ing stuffed toys, and, 4. Making mobiles.

By the end of the project each girl will have made one article of a craft that she has not tried before.

Another suggestion for good use of leisure time is practicing the art of Reading. During this project, each girl is asked to read at least one book and write a short summary of it, as well as tell the rest of her club about it. Suggestions for books to read are in the member's pamphlets.

Do you have enough leisure time to spend some time travelling, either at home or abroad? A good way to develop yourself and your mind is to travel. Be sure you show interest in others, ask questions and you will get the most out of travelling. A few hints on travel etiquette are suggested at the second meeting.

If you don't have time to travel, learning to appreciate good music is a quick, easy way to relax during leisure time. Not all of us are musical enough to be able to play an instrument, yet we all have radio, television and records to give us a variety of music. Have you tried closing your eyes and listening to music from the radio or a record, and imagining a story about the music? Try this as a group and have some of the members tell their version.

Exploring nature is another good way of using leisure time. Do you know the names of different birds that you see each day. Are you aware that the birds are there? Do you know the names of wild flowers and trees?

Keeping physically fit involves good eating habits and daily exercise as well as daily care of skin, hair, eyes, teeth and feet.

All of these attract your personal appearance and are what determine others' first impressions of you as a person. This project also invites the girls to participate in a safety program to eliminate hazards and accidents for you, your family and your community. What do you know about first-aid? Do you know how to control bleeding? How to take care of small fractures? What to do about burns? How to give mouth to mouth rescue breathing? Each girl must equip a first-aid kit as well as learn how to take care of minor injuries received around the home. They also discuss ways of improving the home to prevent many of these accidents from happening.

During the last meeting, the girls discuss: "Canada as a Nation". Our democratic way of life, our freedoms, and our natural resources and what their responsibilities are, as a Canadian citizen.

Therefore, our definition of fitness includes eating habits, physical exercise, leisure time, safety and good citizenship.

Does it sound interesting? Do you wish that your daughter could be a part of the 4-H Homemaking Clubs in Hastings County? If so, stop in to see me at the Ontario Department of Agriculture and Food Office in Stirling, or Bancroft. I will be pleased to help you organize a club in your area or put you in contact with a club that is already there.

The Training Schools for Leaders will be held as follows:- Centre Hastings - January 22nd and 23rd, 1970 in Madoc; North Hastings - January 27th and 28th, 1970, in Maynooth; South Hastings - January 29th and 30th, 1970, in Foxboro.

All schools start at 10:00 a.m. and last until 4:00 p.m. Each club should have a leader and an Assistant Leader. If you are interested, send in an application form as soon as possible.

County Council Supports Separate Planning Boards

At the two-day December session of Hastings County Council held last week, a motion was passed stating Council's approval of separate planning boards for Belleville, Trenton and the county, with a combined overall committee to ensure co-ordination of the work of the three bodies.

The motion accepted one of three recommendations from Municipal Affairs Minister Darcy McKeough in answer to an application by the county in June for a county-wide planning body.

The other alternatives proposed by Mr. McKeough would have allowed for the continuation of the present Belleville and Suburban Planning Board with the inclusion of all Thurlow; revival of the Trenton Planning Board to include Frankford and part of Sidney and a new planning area for the balance of the county.

The second alternative proposed by Mr. McKeough was for a joint planning area for Belleville, Trenton and all of Hastings.

Mr. McKeough said his first proposal seemed impractical because of the heavy financial burden it would impose on Frankford, Sidney and Thurlow.

He suggested the county choose between the second proposal and the third, which called for replacement of present boards with separate boards for Belleville, Trenton and the county.

Marmora Reeve, Wm. Shannon chairman of the county planning and industrial committee emphasized that council's choice would only be a basis from which the county could proceed in its effort to find a planning plateau. He said that this would be a starting point and details could be worked out later. There was a lengthy discussion following the proposal before a settlement was made.

County planning is a 'must' and the support of this proposal may well start things rolling in the proper direction.

We Deliver

THE OPPOSERS

Each generation seems to take a cue from the environment in which it was born for its subsequent activities. The off-spring of the Depression Years, for example, have been the prime movers behind the welfare state as a response to the social ills they suffered. The products of the post-war baby boom can be seen barricading themselves in our universities as a protest against war.

Four years ago, the massive electrical blackout hit the eastern part of the continent. What happened when the lights went out resulted in a significant jump in the birth rate, giving rise to a new generation with a vivid memory of electricity. If the pattern holds true, therefore, in about eighteen years we can expect the founding of the Students for a Non-electric Society, complete with demonstrations to close all generating stations.

Fortunately, the population explosion attributed to the 1965 blackout was relatively small. Highly sophisticated refinements to the electrical supply systems have brought a reliability which makes a recurrence extremely remote, so the blackout babies will likely have no other source of recruits for the anti-electricity movement.

There is a sobering thought in all this, however. If environment at birth does really condition us to oppose certain things later in life, what will happen to the present generation brought up in an atmosphere pervaded by sex?

Demand for Poultry Increasing Steadily

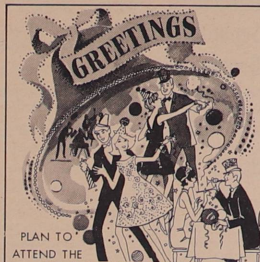

The demand for poultry meat will probably increase annually by 3.3% to 1980. This increase can be attributed to population growth, increased incomes, and other meat prices.

Professor E. C. Hunt, Department of Poultry Science, Ontario Agricultural College, says that consumption of poultry meat has been increasing at the rate of 5.6% each year since the second World War.

"Consumption of poultry meat has far surpassed the 1.3% rise in total per capita meat consumption," says Professor Hunt.

After the war the bulk of poultry meat consumed was of the heavy roasting type. With the technical revolution in the breeding and the feeding of poultry, broiler chicken consumption rose rapidly. Since the early 1960's a similar trend in turkey broilers has taken place.

Professor Hunt, "is also undergoing rapid change, especially in terms of farm numbers and marketing approaches." Based on population growth, he predicts an increase of 20 to 25% in egg consumption by 1980, an increase of about 2% per year.

CHRISTMAS IN THE ADULT REHABILITATION INDUSTRIES WORKSHOP

It is doubtful that anyone will have a hopper Christmas than this one will be for the eight trainees in the Adult Rehabilitation Centre Industries, or workshop, on the Slash Road in Napanee. A year ago these five girls and three young men, from 18 to 31, had a feeling of hopelessness and of inadequacy. They could not keep up with the rest of the world and it had left them behind.

Today each one feels that he is of importance, as the work he has learned to do is now in such demand that orders cannot be filled.

December 4th was a revelation. Their open house and bazaar opened at seven o'clock, and within half an hour everything had been sold, and the administrator, Bill Pollard, spent the rest of the evening taking orders. The young people just couldn't believe that people would be so eager to buy the things they had made. They realized then that they had a useful place in the world.

The week before Christmas was an eventful one beginning Monday when each received a Christmas bonus from the Association, a small cheque. Mr. Pollard and Mrs. Clifford Pringle, a member of the Association executive, took them first to the bank, where each cashed his cheque, the first he had ever received, and then to the stores to purchase his own gift. Also, for the first time, they sat around a restaurant table together to enjoy a cold drink.

Tuesday and Wednesday were crammed with work, trying to fill orders, and one day brought an overwhelming surprise, an order for \$65.00 worth of Poodles, orders resulting from showing one which they had made as an experiment.

Thursday was their Christmas party, with parents and some friends joining them and bringing all sorts of refreshments. Each trainee received at least four gifts, one each from the C.S.T.O. Club, Bernice's Hat Shoppe, and Mr. and Mrs. Pollard, and one in an exchange of gifts. To most of them, this was another first. December 10th was still another

new experience, their first dance as guests of the Belleville Association for the Mentally Retarded, with fellow trainees from as far away as Peterborough and Kingston. Many had never danced before but soon learned and hardly left the floor.

A new world has opened up for these eight young people, so frustrated and empty last Christmas, and so useful and full of hope this Christmas.

POLICE CHIEF ACCEPTS NEW POSITION

David Edward Saunders, who has been Deseronto's Chief of Police for the past fourteen months has accepted a position as Trenton's Deputy-Chief of Police and will assume his new duties on January 15th.

Mr. Saunders, a former detective sergeant and officer-in-charge of the missing persons bureau of Metro Toronto Police, first commenced his police career in 1951 and has performed all motorcycle traffic patrolman, and plain-clothes detective work.

He is a graduate of Metro Police College and has furthered his studies of police work through courses with the Institute of Applied Science in Chicago in criminal and civil investigations, Ketrung Laboratories, University of Cincinnati, an extension department of the University of Toronto.

While with the Metro Police he lectured at the Metro Police College on homicide investigation and missing persons.

Mr. Saunders took over as Deseronto's Chief of Police following the resignation of Gerald Moody in October, 1968. Mr. Saunders, his wife Margaret, and their two sons, Gordon, 13 and Bruce, 10, will move to Trenton at a later date. Their married daughter, Mrs. Lyon McCarrroll, (Suzanne) resides in Toronto.

The decision to appoint a Deputy-Chief was made after consultation with the Ontario Police Commission and on the

recommendation of Chief R. J. Rutherford, who pointed out that the Trenton force has been without a senior officer under the chief since Chief Jack Taylor resigned from the force some years ago.

NO EDITION OF THE SCANNER NEXT WEEK

There will be no edition of the Deseronto and Skyway Scanner next week. The next paper will be published on January 7th. Our office will remain open for commercial printing as usual. We would like to take this opportunity to thank our correspondents for their help in producing this newspaper. To all our readers, we send sincere wishes for a Merry Christmas and a very prosperous New Year.

DESERONTO RED CROSS

The December meeting of the Deseronto branch of the Canadian Red Cross Society was not well attended due to illness. Committee chairmen submitted their reports and the main business of each December meeting was discussed and plans were completed. Mrs. George Robinson was the hostess, and Mrs. Gordon Walker, the president, was in charge of the meeting.

Members will meet Saturday at Mrs. Walker's home to prepare boxes of fruit for all over 80 shut-in citizens of Deseronto, either in town or in Hastings Manor. Fruit will go, also, to those over 80 who are in the four nursing homes in or near the town.

All other senior citizens under 80 years of age will receive Christmas cards.

The Society has received donations from friends to help finance this project.

Contract Awarded

Clarke T. Rollins, M.P.P. for Hastings has been informed by the District Municipal Engi-

neer, Mr. George P. Petro, that the following Contract has been awarded the construction firm of L. M. Welter Limited, Kingston, Ontario.

Grading, drainage and granular base of the Wollaston-Lake Boundary Road from the Ridge easterly for 2.45 miles, Bancroft District.

The total amount bid for this contract was \$245,537.00. The work is scheduled to get underway early in 1970.

Police Chief Saunders Requests Your Co-operation

On too many occasions what started out as happy celebrations ended as tragedies. An appeal is being made by your Police Department to use good judgement and common sense during this festive season. Drinking and driving have never mixed, and that "One for the road" is a killer. If you don't believe it, look at the statistics for the previous years.

Our children are out of school and on the streets. Parents and motorists alike are being urged to keep watch to assure that their happiness will not be turned into tears. The Police Radar once again will be utilized and safety checks will be made over the holiday season to assure that it doesn't happen here.

EMPEY HILL

Tyendinaga East W. I. met recently at the home of Mr. & Mrs. Harold Winters for the Christmas meeting with a large attendance.

Sorry to report Brenda Stafford had the misfortune to fall at school this week and has a broken wrist. We wish her a speedy recovery.

Harold Winter is in Kingston General Hospital, where he was taken by ambulance last week. He may be moved to Lennox & Addington County General Hospital shortly. All wish him a speedy recovery.

Farm Week '70 Program To Be Held At Guelph

Farm Week '70, to be held on January 5, 6 and 7 at the University of Guelph, has three main objectives this year, according to Dr. W. S. Young, Co-ordinator of Agricultural Extension for the Ontario Agricultural College.

It will be used as a forum for current comment on the farm and related industries, as these are seen by members of the faculty of the University; it will provide the

latest available information on farm-related topics; and it will explore the directions in which the farm industry in Ontario and Canada should and will move. Dr. Young also noted that Farm Week would attempt to provide answers and information concerning the latest developments in the agricultural chain from producer to consumer.

Sessions will begin at 11:00 a.m. and close at 3:00 p.m. each day. Monday, January 5, will feature sessions in horticulture with special emphasis on fruit, vegetables and ornamentals; improved breeding programs for swine; and discussions on farm tractor power.

Taxation and the capital gains tax system will be discussed on Tuesday, followed by talks on the breeding and raising of replacement dairy heifers, and a comprehensive outline of weed and disease control in plants. Tues-

day also features the start of the symposium on Air Blast Equipment and Pesticide Use, sponsored jointly by the Ontario Department of Health and the Ontario Department of Agriculture and Food.

Market outlooks for the agricultural industry as a whole are featured on Wednesday, January 7; there will also be a discussion on corn production and soybean feeding.

The horticulture talks will include discussion of the new advances in technology including mechanization, new planting and production systems, and storage problems.

Agricultural engineering will concentrate on the selection and cost of farm tractors, and will feature news and information about imported tractors. Agricultural Economics, in addition to dealing with taxation problems, will offer computer analysis on the cost of owning and operating machinery, provided farmers bring cost and use figures from their own farms.

From 9:00 to 11:00 a.m. on each of the three days, certain departments will provide opportunities for consultation on agricultural and educational programs and problems. Talks and discussions will run through from 11:00 a.m. to 3:00 p.m. Further opportunity to visit departments will be available after the end of the farm program each day.

For further information on Farm Week, those interested should contact either the Department of Information, University of Guelph, or Dr. W. S. Young, Extension Co-ordinator, Ontario Agricultural College. The College and the Ontario Department of Agriculture and Food are co-sponsors of Farm Week.

HOME BREWER'S DILEMMA

"Twas the night before New Year, and all through the house
Not a creature was stirring, excepting a mouse,
Who was down in the cellar, making home brew,
And, take it from me, he had had quite a few.

Up over his head on a cobwebby shelf
Stood bottles of stuff he'd concocted himself
From raisin, potatoes, pineapple and wheat;
From recipes gathered from friends on the street.

He said to himself: "Though I know I've had ample,
There's still one remaining I really must sample,
I don't know what's in it, the label is missing,
It must be okay now, for it has stopped hissing.

So, pulling the cork with an audible pop,
He refilled his glass and he drank the last drop;
A few minutes later some bells began peeling,
The walls were revolving, and so was the ceiling.

The floor that he had stood on appeared ahead
And made him desire to fall into bed;
No bed being handy, he looked at the coal,
And snuggled down into it, body and soul.

The next thing he saw was an elephant - pink,
His big trunk exploring for something to drink;
It pulled down the bottles, extracted the stoppers,
And out came some green snakes, some small and some whoopers.

Upstairs in the kitchen, his wife, washing dishes,
Alarmed at his absence, became quite suspicious;
She went down the stairs midst the fragrant aroma,
And promptly she found her old man in a coma.

With coal in his ears, and more coal in his hair,
And both of his eyes, a malevolent stare;
With a great deal of trouble she got him to bed,
Next morning he woke with a magnified head.

With eyes that were bloodshot and nerves all on edge,
His only desire was signing the pledge;
He held up his hand, saying: "Never again!
I'll get back on the wagon and there I'll remain.

Here's hoping I'll lead an exemplary life,
Here's hoping I'll always be good to the wife
Here's hoping next year I'll be in a position
To buy all I want from the Liquor Commission."

HE PROTECTED ROBBERS

Legends about St. Nicholas are many, but they all relate in some way to his reputation for generosity. Pawnbrokers took him for their patron, and robbers looked to him as their protector. In the Middle Ages, robbers were sometimes called Knights or Clerks of St. Nicholas, says the New

Book of Knowledge.

COST WAS HIGH

When Christmas greetings cards first came into their own in the United States, about 1875, some of the more elegant cards were encrusted with blown glass frosting and sold for as much as three dollars each.

A Blessed Christmas

Tree Radiates Yule Meaning

The Christmas tree, a universally recognized symbol of the merriest season, radiates the meaning of the Christmas story.

For many people, the tree recalls the atmosphere of the holiday home and thus reflects the joyful warmth of the season.

As a religious symbol, the tree with its lights and

greenery represents both the story of the garden of Eden and the belief in Christ as the "Light of the world."

Although only a century and a half old in America, the custom of the tree has a history that is measured in many centuries. The forerunner of today's Christmas tree was seen in medieval miracle plays, which were produced as religious instruc-

tion for the illiterate — in an era when illiteracy was common and the ability to read a rarity.

A play about Eve's eating the forbidden fruit in the garden of Eden was enacted with only one prop on stage, a single, apple-laden fir that became known as the Paradise Tree. The play ended with the promise of the coming of Christ and was usually presented just before Christmas.

At about the same time, people also decorated for the Christmas season with pyramid-shaped frames of light, symbolizing the birth of Christ as the Light of the world.

Early efforts to combine the Paradise Tree and the Christmas Light pyramid are recorded in manuscripts from Germany dating to the 16th century, collected by the Hallmark Cards research library.

The first tree was thought

to have been brought to the United States by Hessian soldiers during the American Revolution. These homesick soldiers and other immigrants carried the tree throughout the country.

A major setback almost occurred in Cleveland in 1851 when a pastor decorated a tree in his home. His parishioners condemned the tree as pagan, but relented after an explanation of its religious aspects.

Conservation-minded President Theodore Roosevelt again nearly stamped out the practice when he banned trees in the White House. After one of his sons sneaked a Christmas tree in to the White House, a forerunner convinced the President that thinning helped forests.

The tree that is common today is a combination of the religious elements. The evergreen with glass, plastic or metal balls hanging from it is the Paradise Tree with its apples. Lights, tinsel, angels, a star on top, ornaments and other "good things" reflect the Christmas Light.

To Wish You
all the joys and blessings
of this glorious holiday season...
is the tradition we treasure. Merry Christmas.

Giving Gifts

Like greetings, gifts are synonymous with Christmas, as part of a custom that probably has its beginning in the Wise Men's presentation of gold, frankincense and myrrh to the Christ Child.

Some researchers trace the gift-giving tradition to even earlier, pre-Christian times. During pagan holidays observed at about the same time

as the modern Christmas, ancient Romans and Britons exchanged gifts in token of the season. . . .

Lighting the Way

Light and Christmas go together, for the deepest meaning of the holiday represents Christ, the Light of the world. From the bonfires and candles of yesteryear to the twinkling electric orna-

ments of today, light symbolizes Christmas.

According to Irish legend, a candle should always be placed in the window on Christmas Eve. Each Christmas, it was said, Christ wanders the earth in search of a welcome, and a candle should light the way.

When It Began

In the early Christian era, illuminated manuscripts were generally the products of monasteries and cathedral schools. The first examples of illumination appeared, however, centuries before the birth of Christ.

The Egyptian "Books of the Dead," manuscripts in-

tended for tomb-burial to serve as guides for the deceased in the afterworld, offer examples of gold-lit vignettes dating back to 1350 B.C.

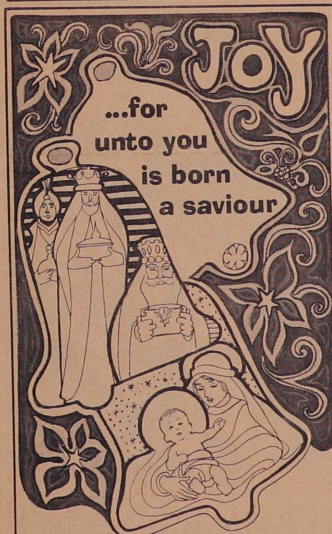

These "books," written on papyrus scrolls, envisioned afterlife as a continuation of life on earth. People and animals were pictured, along with decorative lettering showing swirls of gold and sometimes silver.

Community Greets Joyful Christmas

Throughout this community, the Christmas spirit finds expression, as once again, people are proving that this happiest of holidays is a time of tradition. A modern Christmas, just like a good old-fashioned Christmas, calls for gatherings of family and friends, with much merriment, fun and feasting. Gifts and Santa Claus express the mood of the season, especially for the youngsters. Trees and other decorations, music and song, light and laughter set the scene. As a Christian holy day, celebrated in church services and private devotions, Christmas glows with the spirit of good will, and "peace and good will" is the wish and prayer, for all mankind.

All of these traditions of Christmas are wrapped up in one. The true spirit of Christmas is most happily expressed in the exchange of greetings. "Have a Merry Christmas." That says it all — the heartfelt hope for good things for others, the good feeling that prevails, the happiness of the season rising above problems and crises, the wish to give and to share all the holiday joys and blessings.

As a special custom that symbolizes the spirit of Christmas, the exchange of greetings takes many forms. "Merry Christmas" is said person-to-person, with smiles of gladness, wherever friends and family meet. "Merry Christmas" is the message of millions of greeting cards which travel across the miles. And "Merry Christmas" is the theme of today's edition of this newspaper, in which businessmen of the community offer their special greetings and good wishes, their words of appreciation to patrons and friends.

Telling Story Of the Nativity

"BEHOLD THE MIRACLE of Christmas," these works of art seem to say, as they tell the story of the Nativity. "The Annunciation," "The Nativity," "The Adoration of the Magi" and "The Flight into Egypt," pictured left to right above, are from a 15th-century illuminated manuscript, "Hours of the Virgin," now in The Pierpont Morgan Library, New York, N. Y.

"HOURS OF THE VIRGIN for the Use of Rome, preceded by a Kalendar in French," is says The Pierpont Morgan Library, a "manuscript on vellum, written and profusely illustrated c.1474 by Jean Colombe of Bourges, France, for Anne de France, dame de Beaujeu, 1461-1522." Wash gold is used throughout, in the "107 full-page miniatures, 24 kalendar illustrations, illuminated borders and initials."

Cities Put Up Evergreens

Comes Christmas, and cities everywhere renew the tradition of setting up a community Christmas tree—a custom which began early in this century.

In 1909, citizens of Pasadena, Calif., decorated an evergreen on Mount Wilson as the tree of the city.

The year 1912 saw community Christmas trees erected in Madison Square, New York, N. Y., and on the Common in Boston, Mass. Independence Square in Philadelphia, Pa., showed off its first community tree in 1914.

President Calvin Coolidge inaugurated the custom of a national community Christmas tree in Washington, D.C., when he was presented with a large evergreen by the University of Vermont, in 1923.

It's a Mystery

Mysterious things happen on Christmas Eve, say country legends of Switzerland. Young people may foretell the future, if they drink from nine different fountains while the midnight church bells chime. Then, if they hasten to the church steps, their future mates will await them there.

Somewhat less romantically, older folk seek to predict the weather for the coming year, using onion peels filled with salt.

How Many Holidays?

Traditionally, Belgians celebrate three holidays at the Christmas season—beginning with St. Nicholas Day, December 6th, when the good saint brings gifts for children.

Then comes St. Thomas Day, December 21st. It's a sort of "trick or treat" day for school children, who try to play tricks on their teachers.

The third holiday, of course, is Christmas.

Silent Night,

Holy Night

In the awesome stillness of that Holy Night, the Christ Child was born.

May the true meaning of Christmas fill your heart and home!

MRS. DOROTHY McCULLOUGH

Pageant Has History In Medieval Dramas

As young actors and actresses of this community rehearse their roles for their special Christmas play or pageant, they take part in a custom treasured through the ages.

Since the Christmas story first was told, mankind has sought and found countless ways to create it again and anew, in song and story, in art and drama. The modern Christmas pageant, a feature of church observances in communities near and far, may well trace its history to

early religious dramas — the mystery, miracle and morality plays of the Middle Ages.

Where did church drama actually begin? One possible source is the tradition of the Christmas crib or manger scene, but scholarly research indicates that medieval religious drama probably had other, separate origins, according to the editors of Encyclopedia Americana.

Easter Plays Came First

Representations of the manger scene began with the use of doll figures, and his-

tory offers no evidence that people were ever substituted for the dolls. Living "actors" did, however, play a part in some early elaborations of church rituals.

In the 10th century, special chants written to accompany church music on festival occasions began to take the form of simple dialogues. These were little more than dramatic inserts in the

church services, but here, researchers believe, religious plays had their start.

Easter dialogues and plays probably came first, with Christmas plays developing as a natural result. Other religious dramas or mystery plays soon followed, until there were series or cycles of plays devoted to telling the entire story of the Scriptures.

Here's hoping that Santa brings lots of good things your way! Thank you.

DESERONTO

How It Grew

Just as the celebration of Christmas gathered together many customs and rituals of earlier holidays, so too the monastery artists drew upon techniques evolved by pre-Christian craftsmen.

Influence of classic Greek and Roman style is evident in the early illuminated manuscripts of the Christian era. This gradually gave way to the decorative, abstract Byzantine style.

With the approach of the Renaissance, more natural, realistic techniques came into use, in illumination as in other forms of art.

Treasured Today

In the preparation of illuminated manuscripts, a master artist often set the style for copyists and assistants to follow, since even the decoration of an initial letter could be a major project.

A single letter might occupy an entire page, and a complete scene or miniature painting might be contained within the boundaries of, for instance, an initial "C" or "D."

Some manuscripts, in fact, represent the work not only of more than one artist but of more than one generation of artists.

Today, illuminated manuscripts are treasures of libraries and museums, and rightly so, for throughout a thousand years of Christian history, the art of illumination brought an extra dimension of beauty to manuscripts that are, in themselves, precious works of art.

Art, Too, Shows 'Illumination' To Light Up Christmas Scene

By ANNA MANG

Illumination.

The very word seems to belong to Christmas, the season of light. Like the star that guided the wise men, Christmas illuminates the spirit of man.

In an artistic sense, illumination has another meaning that is also linked to Christmas: The decoration of books and manuscripts with colorful illustrations, initial letters and borders, "lit" by gold or, occasionally, silver.

Like all the arts, the ancient art of illumination was often employed by man in his efforts to capture some portion of the wonder of Christmas, to retell and to picture the story of the Nativity and related events.

"The Annunciation," "The Nativity," "The Adoration of the Magi," "The Flight into Egypt" — these and other scenes from the well-loved Christmas story appear again and again in the hand-lettered, individually-illustrated books known as illuminated manuscripts.

Horse sense is that rare quality that restrains horses from betting on the human race.

Greetings

To you and your family, our wish is for all the merriment and excitement of this festive season...all the joy and warmth of a Yuletide celebration. And may we thank you for your much appreciated patronage.

**GEORGE and HAZEL LYONS
AND STAFF**

Why Pick Chimney? St. Nick Has Reasons

Why does Santa come down the chimney?

Of all the traditions connected with Santa, his unconventional mode of entry might seem the most puzzling. Surely the magical gift giver, who has the power to drive reindeer through the skies and who can cover the earth in a single night, could find an easier way to enter a house.

Like most of the lore of Christmas, Santa's choice of the chimney has several ex-

planations. For instance, legend has it that the original Santa, St. Nicholas, presented three maidens with gifts of gold for a dowry. Modestly concealing his generosity, he tossed the gold down a chimney, in secret.

Another theory claims that Santa copied a goddess, who was the first to deliver gifts via a chimney. According to this legend, when the Vikings of Norway celebrated the Yuletide or winter solstice in their great halls, a festive feature of the occasion was the appearance of the goddess Hertha in the fireplace.

As her name indicates, Hertha was goddess of hearth and home, and most appropriately arrived by way of the chimney, to deliver her Yuletide gifts of good luck and good cheer.

Still another explanation takes a practical point of view. Housewives of Northern Europe, cleaning house for the New Year, used to coax children to help with the chores by saying, "Let's clean the hearth. St. Nicholas will soon be coming down the chimney."

The children willingly set to work, and thus, says legend, a tradition was born. Even when he takes to helicopter or jet plane, Santa delivers his gifts by way of the chimney!

Tracing Santa

Santa's source, legend says, goes back to the fourth century, when St. Nicholas, a bishop of Asia Minor, was noted for his generosity and gift-giving.

In some countries, St. Nicholas still retains his role as gift-bearer. His day is, traditionally, December 6th, and European children await him

on St. Nicholas Eve, December 5th.

A gray horse and a white donkey have each been credited with the honor of transporting him on his gift-giving journeys.

Sending Greetings

The custom of exchanging greetings at holiday time is older than Christmas. The

custom of the Christmas greeting card, however, is a relatively new one.

Christmas cards originated about 125 years ago, in England. Despite this recent start, printed greetings quickly caught the public fancy and are today one of the most popular forms of Christmas holiday traditions.

CHEERS

We take this day to express fondest wishes, and a cheerful "Thank you."

Don't Take Chances With Fire In Plans For Christmas Fun

Any old tree comes radiantly to life with the addition of bright Christmas decorations, right?

Wrong, says Fire Chief Al Fraser. Unless special care is taken in the choice of a Christmas tree, he warns, a happy holiday can turn in a flash through a blaze into terrible tragedy. The Chief urges the public to follow these rules when shopping for a natural tree.

First be sure the tree is green and fresh. To check this, test twigs and needles to ensure they are not dried out. Keep the tree outdoors or in an unheated garage until it is time to set it up indoors. Then, cut one or two inches diagonally from the butt with a saw, and set up the tree in a stand which allows for immersion of the butt in water. Maintain the water level to cover

the butt.

Set up the tree away from any source of heat such as a fireplace, radiator, stove or TV set. Do not allow it to block access to any door or window. Never smoke near the tree, nor allow matches or candles nearby.

Check strings of electric lights for frayed cords or damaged insulation which might cause short circuits. Only lighting sets bearing the Canadian Standards Association label should be bought, and only non-flammable decorations.

"Flameproofing" of natural trees with chemical mixtures is not a safe substitute for immersion of the butt in water, and is not recommended. Candles should never be used as tree decorations, never anywhere in holders made from styrene foam, and preferably never at all.

Though the safest tree is a fresh green one, with the butt immersed in water, if a tree is dried out before it is set up in water, it cannot regain a safe moisture level. If a test of flexibility of twigs or needles shows that a tree is drying out in the home, discard it.

Even artificial trees present their own hazards. Metallic trees, due to the danger of short circuits, should never be illuminated by strings of electric lights. Floodlights should be used, remote from the tree.

Plastic trees are all made of combustible materials, and the safest one is therefore, one which would burn slowly.

Gift wrappings should never be left to accumulate near the tree on Christmas morning, or whenever gifts are opened. Even a moist tree will burn if exposed to a ring of burning paper around the base. A dryer tree will burn furiously to a blackened stem in a few seconds, igniting all combustible furnishings nearby.

Think about these things, says Fire Chief Fraser, and especially remember to keep an eye on little children at this time of year. Never leave them alone for an instant, no matter how strong the temptation to pay a short visit to a neighbor, or make a last-minute purchase.

December 7th to 13th, 1969.

Belleville Detachment
Last week, officers of the Belleville Detachment of the Ontario Provincial Police patrolled a total of 10,042 miles of highways, while performing 912 duty hours.

SEASONS GREETINGS

I cannot send greetings individually to all my friends in Deseronto and its vicinity, but through the Skyway Scanner I can reach all at the same time. Thank-you for the assistance given me in my news gathering through the year.

May your Christmas be a very happy one and may nothing but good come to you and your community in 1970.

Mrs. Celia B. File.

Crepes -

- 3/4 cup sifted flour
- 1/2 tsp. salt
- 2 eggs
- 1 cup milk
- 1 tbsp. melted butter
- Filling -
- 1 green pepper, minced
- 1 tbsp. butter
- 1 10-oz. can mushroom soup
- 1/2 cup milk
- 1 pimento, cut into strips
- 1/8 tsp. curry powder
- 1 cup cooked turkey, finely chopped

Combine flour and salt. Beat eggs slightly and add milk. Add egg-milk mixture to dry ingredients and beat until smooth. Stir in melted butter. Cover and chill batter for 2 hours. For each crepe measure 2 tbsp. of batter into a hot, lightly-greased, 7-inch frying pan, tilting the pan to spread batter quickly and evenly over the bottom. Cook 1 to 2 minutes until bottom is brown. Turn. Cook 1 minute longer. As crepes are cooked, stack them with paper towelling between each crepe. Makes about 12 crepes. Soak green pepper in butter until tender. Add rest of ingredients and heat through.

To fill the crepes: Place a heaping tablespoonful of filling on each crepe. Roll up as you would a jelly roll. Place in a single layer in an oven-proof dish. Pour remaining sauce over top.

To freeze: Cover dish securely with foil. Chill, then freeze.

To serve: Bake at 400°F for 10 minutes or until sauce bubbles.

A man charged with murder bribed a friend on the jury to hold out for a verdict of manslaughter. The jury was out for a long period of time, but at last brought in a verdict of manslaughter.

Upon visiting the prisoner the following week, the friend was thanked: "I'm much obliged. Did you have a tough time convincing the others?" "Tough is right," replied the friend. "The other eleven wanted to acquit you."

Menu of the Week

- Creamed Turkey Crepes
- Carrot and Celery Sticks
- Mixed Pickles
- Mincemeat Bars

Turkey-filled crepes are a great mid-day brunch or late evening lunch idea. Prepare them ahead of time and freeze, then simply warm them in the oven for unhurried, elegant entertaining, suggest the Ontario Food Council, Ontario Department of Agriculture and Food.

Effective Supervision Course To Be Offered At Loyalist

A ten-week course in Effective
Supervision for owners, managers,
supervisors and foremen in the
construction industry will be offered
by Loyalist College and the
Quinte Construction Association
beginning January 12th. David
Heeley, Campus Planning Co-ordi-
nator at Loyalist College who
has provided instruction in similar
courses at the Community Col-
lege level before coming to
Belleville will be the course lead-
er. Mr. Heeley is a member of
the Royal Architectural Institute
of Canada.

An Ontario Department of
Education Certificate will be
awarded on successful completion
of the course which is one of a
series of seminars offered under
the Management Development
Program of the Applied Arts and
Technology Branch of the Ontario
Department of Education.

A feature of the course is
introduction to the critical path
method and its use as an aid to
successful project management.
Those taking the course will
receive a detailed reference
manual covering factors of prime
consideration in the management
and operation of small, medium
and large mechanical, electrical
or general contracting jobs. The
course content is applicable to
private business firms, and ser-
vice industries as well as govern-
ment and institutional agencies
which may be engaged in various
aspects of construction.

In the ten weekly sessions
(each of approximately two hours
duration) the following topics
will be presented based on cases

and in readings and discussions—
the role of the supervisor; con-
cepts of effective supervision; tak-
ing proper action, motivation of
the worker; setting goals and
objectives; planning the job;
fundamentals of CPM; measuring
progress and costs; making job
improvements; organizing and
planning your time.

SUBSTITUTES FOR DDT AVAILABLE FOR CROPS

The recent ban on DDT should
not cause field crop growers much
of a problem in Ontario, except
possibly where the control of
cutworm in corn is concerned.

So says Professor Harold Goble,
Department of Zoology, Univer-
sity of Guelph, who notes that
even for cutworm, DDT was not
recommended here in 1969.

Among the replacements for
DDT are a group of insecticides
known as the organophosphates.
This group contains some very
effective, yet very dangerous to
handle, materials. Two that are
still being widely used and are
unaffected by the recent ban are
parathion and phosdrin.

Methoxychlor, endosulfan
(Thiodan) and carbaryl (Sevin)
will also be more widely used.
These last three are relatively
safe to use as far as the operator
is concerned, and none should
pollute the atmosphere if properly
applied.

Professor Goble points out that
growers should be as well in-
formed as possible on the hazards of
using organophosphates. Rubber
gloves, respirators, and protective
clothing are required before some
applications can be made. Grow-
ers should be sure to enquire

CHRISTMAS GREETINGS

DEAR CITIZENS;

Once again I am pleased to have the privilege to serve
you for another two years. I will make every effort to ful-
fill your expectations.

At this time my wife and I would like to take this oppor-
tunity to wish you and yours a very Merry Christmas and a
prosperous New Year.

Jim and Edie Sharpe.

MY SINCERE THANKS...

FOR YOUR CO-OPERATION DURING THE PAST
YEAR, AND FOR UNANIMOUSLY NOMINATING ME
AS YOUR CANDIDATE TO CONTEST THE NEXT PRO-
VINCIAL ELECTION. I DEEPLY APPRECIATE YOUR
CONFIDENCE AND I ASSURE YOU I WILL CONTINUE
TO WORK IN YOUR INTERESTS AND SERVE YOU
TO THE BEST OF MY ABILITY.

MAY I NOW AT THIS SEASON OF THE YEAR
EXTEND MY BEST WISHES TO ONE AND ALL FOR

A VERY MERRY CHRISTMAS
AND ALL HAPPINESS IN 1970.

CLARKE T. ROLLINS
